- 2. Each authorized insurance company shall file a Statement of Premium Taxes even if no insurance business was transacted in Idaho during the year. Each formerly authorized insurer, with respect to insurance transacted while an authorized insurer, shall file a statement for any renewal premiums received during the calendar year. - 3. The Tax Statement and remittance are due on or <u>before</u> March 1. The required state documents and Tax Statement can all be submitted in one package either by groups or individual company. However, any postmark after the next business day will be penalized from the original due date. Idaho Code § 41-404 and § 63-217

Late filing of the statement and remittance will result in a penalty of \$25.00 for each day of delinquency as determined by an official postmark.

Electronic Fund Transfer (EFT) payments that are not in the correct bank account on the due date, will be assessed a late penalty.

Only an official U.S. Postal Service cancellation postmark on the envelope, rather than private postage meter stamp, shall qualify as proof of timely mailing. If a carrier service is used, the mailing date will be determined by the package pick-up date, not the delivery date.
