Basic Rules

Boards will be placed roughly 20 feet apart (using The Official Boards)

Players must stand alongside the board when throwing bags but cannot step in front of board they are throwing from. If someone steps in front of the line while throwing, that bag will be removed from the board. Each game will consist of two teams. One player from each team throws at the same board. Bags are thrown one at a time, that is, player 1 throws 1 bag and then player 2 throws 1 bag until all 8 bags are thrown. Players are allowed to bounce bags off the ground. Points are scored - 3 points for a bag through the hole and 1 point for a bag on the board.

Points cancel each other out, for example:

After 1 round of 8 bags played, #1 team with 1 bag in the hole = 3 points #2 team with 2 bags on the board = 2 points

Score for the 1st round for #1 team = 1 point 21 points is game (meaning the game is over). A team does not have to hit 21 exactly.

NOTE: Any bag resting on the ground is worth 0 points. However, a bag resting partially on the board and partially on another bean bag (without touching the floor) is a legal toss worth 1 point.

- Each player is granted 4 warm-up bags before the game officially begins. This is before the first game only. If teams want to show up early to practice, that is fine. Games will start on time.
- Rock, Paper, Scissors determines who throws first during first match.
- Opponents alternate toss until all 8 bags are played.
- The scoring team has the honor of tossing first in the next round.
- Scoring: Games will be played to 21 (Must win by 2 points)
- Your team roster can consist of (min. 2/max. 4), two who play in the game and two as substitutes. All four players may play throughout the course of the match.(Once you start a game you must finish, but can rotate the next game.)
- Players may rotate sides after each game. However; throwing partners must throw directly across from each other.
- Good Luck and have Fun!!!!!!
