Idaho Department of Insurance Director voted NAIC Vice President-elect

BOISE, ID – This week, Idaho Department of Insurance Director Dean L. Cameron was voted Vice President-elect of the National Association of Insurance Commissioners (NAIC).

The NAIC is part of the state-based system of insurance regulation in the 50 states, the District of Columbia and five U.S. territories. Director Cameron served as Secretary-Treasurer of the NAIC for 2019 and starting January 1, 2020 Director Cameron will become the organization’s Vice President.

“It is an honor to lead the Idaho way with innovative solutions and common sense approaches,” said Director Dean Cameron. “I take the responsibility to defend the role of state insurance departments from federal intervention seriously. Allowing states to be their own laboratories of innovation not only strengthens the industry, but also empowers states to better protect consumers. I am profoundly grateful to be part of a leadership team that shares those same values.”

Through the NAIC, state insurance regulators establish standards and best practices, conduct peer reviews, and coordinate regulatory oversight to effectively regulate the industry and protect consumers. For more information about the NAIC’s newly elected officers, [click here](#).

About the Department of Insurance

The Idaho Department of Insurance has been regulating the business of insurance in Idaho since 1901. The mission of the Department is to serve and protect Idahoans by equitably, effectively and efficiently administering the Idaho Insurance Code and the International Fire Code.
