Insurance Department Revokes License, Issues Final Order and Stipulation
Action follows the creation and submission of falsified documents

BOISE ID – A Stipulation and Final Order to permanently revoke the Idaho Resident Producer License of agent Julie Burton was issued by the Department of Insurance July 18, 2018. Burton admitted to ten (10) separate violations of creating and submitting falsified documents to Farmers Insurance Group. Along with losing her license, Burton has been fined an administrative penalty of \$10,000, with all but \$1,000 suspended. However, should Burton re-apply for an insurance license in the future, the remaining \$9,000 is due immediately.

Misrepresenting the terms of an insurance contract or application for insurance is a violation of Idaho Code § 41-1016(1)(e). The Department took action upon learning of Burton's efforts to create and submit falsified information to the insurance carrier.

"Consumers have a right to know their agent is following the law and are honest in their dealings," said Director Dean Cameron.

A copy of the order is available on the Department's website: www.doi.idaho.gov. Click "Orders" under the General Information tab.
