The Honorable Dean L. Cameron
Director of the Idaho Department of Insurance
700 West State Street
Boise, Idaho 83720

Sir:

Pursuant to your instructions and in conformity with Idaho Code §§ 41-219, 41-220, and 41-2713, an examination has been made of the administrative affairs, books, records and financial condition of;

Northern Title Company of Idaho
96 South State Street
Preston, Idaho 83263-1243
License #76379 – Franklin County

Hereinafter referred to as “Title Agent”.

The following Report of Exception Examination is respectfully submitted.

FOREWORD

This is an exception examination report of the practices and procedures of Northern Title Company of Idaho (Title Agent) an Idaho Title Agent licensed in Franklin County. However, failure to identify or criticize specific products, procedures or files does not constitute approval thereof by the Idaho Department of Insurance (the Department).

The examination was conducted remotely at the Department's offices located at 700 W. State Street in Boise, Idaho. In performing this examination, the examiner(s) reviewed a sample of the Title Agent's procedures, files, and documentation. Some noncompliant practices may not have been discovered during this examination. As such, this report may not fully reflect all of the procedures and practices of the Title Agent.

During the examination, the examiner(s) may cite violations made by the Title Agent. Statutory citations are as of the period under examination unless otherwise noted. The goal of the examination team was to produce an examination report that reflects agreement in content with the Title Agent. The report indicates where agreement was not possible.

The final examination report documents consist of the examiners' report, the Title Agent's response if elected, and any administrative actions based on the findings of the Department.

PURPOSE AND SCOPE OF EXAMINATION

The purpose of this examination is to determine compliance with applicable Idaho Statutes and regulations, and rules promulgated by the Department. In addition, examiners may have documented practices and procedures that did not appear to be in the best interest of Idaho insurance consumers.

The period covered by this examination is January 1, 2011 through December 31, 2015. Specific areas examined include operations/management, claims, advertising and marketing, title file review and escrow fiduciary account and file review.

The Department's authority to conduct this examination includes, but is not limited to, Idaho Code § 41-2710(7), which grants authority for regular examinations of a title agent's tract indexes, abstract records, and any other records to ascertain compliance with title 41, Idaho Code, and related rules, to occur not more than every fifth year, unless the agent otherwise requests or the director has cause to believe the same does not comply with said title or the rules thereunder.

HISTORY AND DESCRIPTION
