Boise, Idaho
October 25, 2016

The Honorable Dean L. Cameron
Director of the Idaho Department of Insurance
700 West State Street
Boise, Idaho 83720

Sir:

Pursuant to your instructions and in conformity with Idaho Code §§ 41-219, 41-220, and 41-2713, an examination has been made of the administrative affairs, books, records and financial condition of;

Land Title and Escrow, Inc.
237 N Lincoln Avenue
Jerome, Idaho 83338
License #5658 – Jerome County

Hereinafter referred to as “Title Agent”.

The following Report of Exception Examination is respectfully submitted.

FOREWORD

This is an exception examination report of the practices and procedures of Land Title and Escrow, Inc. (Title Agent) an Idaho Title Agent licensed in Jerome County. However, failure to identify or criticize specific products, procedures or files does not constitute approval thereof by the Idaho Department of Insurance (the Department).

The title and escrow file portion of the examination was conducted at the Title Agent's corporate offices located at 1101 W. River Street, Suite #201 in Boise Idaho. The remaining portions of the examination was conducted at the Department's offices located at 700 W. State Street in Boise, Idaho. In performing this examination, the examiner(s) reviewed a sample of the Title Agent's procedures, files, and documentation. Some noncompliant practices may not have been discovered during this examination. As such, this report may not fully reflect all of the procedures and practices of the Title Agent.

During the examination, the examiner(s) may cite violations made by the Title Agent. Statutory citations are as of the period under examination unless otherwise noted. The goal of the examination team was to produce an examination report that reflects agreement in content with the Title Agent. The report indicates where agreement was not possible.

The final examination report documents consist of the examiners' report, the Title Agent's response if elected, and any administrative actions based on the findings of the Department.

PURPOSE AND SCOPE OF EXAMINATION

The purpose of this examination is to determine compliance with applicable Idaho Statutes and regulations, and rules promulgated by the Department. In addition, examiners may have documented practices and procedures that did not appear to be in the best interest of Idaho insurance consumers.

The period covered by this examination is January 1, 2011 through December 31, 2015. Specific areas examined include operations/management, claims, advertising and marketing, title file review and escrow fiduciary account and file review.

The Department's authority to conduct this examination includes, but is not limited to, Idaho Code § 41-2710(7), which grants authority for regular examinations of a title agent's tract indexes, abstract records, and any other records to ascertain compliance with title 41, Idaho Code, and related rules, to occur not more than every fifth year, unless the agent otherwise requests or the director has cause to believe the same does not comply with said title or the rules thereunder.

HISTORY AND DESCRIPTION

Land Title And Escrow, Inc. was established and registered with the Idaho Secretary of State's office on March 26, 1959. They were required by statute and became licensed in Jerome County with the Department on November 2, 1973. On March 20, 2014 they were purchased by TitleOne Corporation. They conduct business out of offices in Jerome, Idaho.

PRIOR EXAMINATION

Our examination included a review to determine if exceptions were noted in our preceding report of examination dated June 28, 2011, which covered the period of January 1, 2006 to December 31, 2010 and whether these exceptions were addressed. There were no exceptions noted. No exceptions were noted as a result of this current examination.

PRIOR ESCROW AUDIT

Our examination included a review to determine if exceptions were noted in the October 1, 2015 escrow audit completed by Mr. Melvin D. Maisey of Fidelity National Title Group which covered the period July 1, 2012 through June 30, 2015 and whether these exceptions were addressed. Four (4) exception conditions were noted. We determined that the Title Agent satisfactorily addressed all four of those exception conditions in October 2015. No exceptions were noted as a result of this current examination.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

I. OPERATIONS AND MANAGEMENT

This examination included a review of the Title Agent's operations and management. The focus of this section of the examination includes review of management and control, contracting authority, surety bond, claims, and financial interests of the title entity management and ownership.

A. MANAGEMENT, CONTROL AND FINANCIAL INTERESTS

IDAPA 18.01.39.011, 012 & 013

The current corporate officers are Cameron McFaddan as the current registered agent and Secretary, Mark Tidd as the Chief Executive Officer and Director, Doug Brigham as President and Director and Vickie White as Director. No exceptions were noted as a result of this examination.

B. CONTRACTING AUTHORITY

Idaho Code § 41-2710(2)

This Title Agent has underwriting contracts with Fidelity National Title Insurance Company and Old Republic Title Insurance Company, Stewart Title Guaranty Company, Western Surety Company and Commonwealth Land Title Insurance Company. All premiums appear to be paid current. All underwriting contracts require a high liability approval of \$4,000,000.00 with deductibles for loss of \$2,500.00 to \$5,000.00. No exceptions were noted as a result of this examination.

C. SURETY BOND

Idaho Code §§ 41-2710(6), 2711

IDAPA 18.01.25.011.08 & 09

The Department has on file surety bond # B8892019 in the amount of \$50,000.00 issued by The Cincinnati Insurance Company on behalf of the Title Agent. The examination confirmed this bond to be currently active. No exceptions were noted as a result of this examination.

D. CLAIMS

Idaho Code § 41-2708(1) & (2)

The Title Agent reported no claims for the examination period. No exceptions were noted as a result of this examination.

II. ADVERTISING AND MARKETING

Idaho Code § 41-2708(3) & (4)

IDAPA 18.01.39.014 & 18.01.56

The examination included a review of the Title Agent's marketing and sales practices. A general ledger for each year under examination for all accounts involving contributions, donations, sales expenses, travel and meal expenses, Title Agent/staff function expenses, as well as samples of listing packages or property profiles were requested and received. After a cursory review of the general ledgers, samples were picked within our examination parameters. Supporting documents for the samples were requested, received and reviewed.

During our examination we noted that supporting documentation for the sampled expenses incurred in the calendar years 2012 and 2013 were not provided by the Title Agent. We were not able to determine the compliance of these expenses. The Title Agent explained that these records were inadvertently destroyed.

Idaho Code § 41-2710(7) states that regular examination of the tract indexes, abstract records and any other records be conducted to ascertain compliance with title 41, Idaho Code, and related rules. This provision in the code impliedly requires agents to keep accurate and complete records sufficient to ascertain compliance with Title 41, Idaho Code.

Recommendations

It is recommended that the Title Agent submit to the Department in writing the proposed procedures that the Title Agent will implement in order to maintain accurate and complete records sufficient to ascertain compliance with Title 41, Idaho Code and associated rules. No administrative sanctions or penalties are recommended at this time as this is the first instance of this violation noted in an examination and the sampled expenses for the other years in the examination period appear to be compliant.

III. TITLE FILE REVIEW

Idaho Code §§ 41-2702, 2708 & 2709

IDAPA 18.01.25 & 18.01.56.017 & Exhibit 1(9)

The Title Agent's Title Department is managed by Kaylin Garrard and is comprised of seven (7) title officers. The title plant is posted and maintained at the offices in Jerome, Idaho. A sample of title files were reviewed within the parameters of our examination for the rates charged, the correct insured amount of the owner's and mortgagee's policies, proper countersignatures, double sales, proper use of the Standards of Liability and liens and encumbrance rules, cancellation fees, and unique kind or class of risk.

During the examination, the following exceptions regarding the charging for and/or failing to make efforts to collect cancellation fees was noted:

Commitment #14243917 was cancelled after 07/23/14 and no cancellation fee was charged.
Commitment #15246611 was cancelled after 07/23/14 and no cancellation fee was charged.
Commitment #15252782 was cancelled after 07/23/14 and no cancellation fee was charged.
Commitment #15253929 was cancelled after 07/23/14 and no cancellation fee was charged.

Pursuant to IDAPA 18.01.25.004.01...“where a preliminary report is issued, the order for the policy may be canceled prior to closing upon applicant being required to pay a cancellation charge of fifty percent (50%) of the premium with a minimum of fifty dollars (\$50) provided that any portion of the charge in excess of one hundred dollars (\$100) may be waived....”

IDAPA 18.01.25.004.02.d provides that no title insurance agent shall “issue a title insurance binder, commitment or preliminary report without an order and without making a charge therefor if a policy is not issued thereon....”

Furthermore, pursuant to IDAPA 18.01.56, EXHIBIT 1.9...“A title entity shall not waive a cancellation fee, fail to charge for a cancellation fee, or otherwise fail to make efforts to collect a cancellation fee from the recipient of services provided by the title entity.” When a title commitment issued by a title agent in response to an order does not result in a policy of title insurance, the title agent must charge a cancellation fee in the amount required by the rules and make an effort to actually collect the cancellation fee. IDAPA 18.01.39.10.04 and 18.01.56.010.05 define uncollected cancellation fees for title commitments as “things of value.” Additionally, providing things of value such as uncollected cancellation fees to a customer is considered an illegal inducement.

On July 23, 2014 an advisory addressing the issues on charging and collection of cancellation fees was issued by the Department to all title agents. Within that advisory, agents were reminded that providing things of value such as uncollected cancellation fees to a customer is considered an illegal inducement.

The Title Agent was in violation of IDAPA 18.01.25.004.01, 18.01.25.004.02.d, 18.01.56, EXHIBIT 1.9, and 18.01.56.11 by not charging cancellation fees.

Recommendations

It is recommended that the Title Agent submit to the Department in writing what proposed procedures will be implemented to ensure that all future cancellations of title commitments are compliant with IDAPA 18.01.25.004.01 and IDAPA 18.01.56, EXHIBIT 1.9.

It is also recommended that the Director enter an order for administrative penalties as a result of violating IDAPA 18.01.25.004.01, 18.01.25.004.02.d, 18.01.56, EXHIBIT 1.9, and 18.01.56.11 in the amount of \$1,200.00.

IV. ESCROW FIDUCIARY ACCOUNTS AND FILE REVIEW

The Title Agent's Escrow Department is managed by Justin Robertson and is comprised of one (1) escrow officer and two (2) assistants.

A. FIDUCIARY ACCOUNTS

IDAPA 18.01.25.011.04, 05 & 10

The examination included a review of the fiduciary accounts utilized during the examination period. The accounts were reviewed for correct labeling, separation from operating funds, reconciliation, and negative balances. The fiduciary accounts for this office are balanced on a daily basis and reconciled on a monthly basis at the corporate offices in Boise, Idaho. Monthly reconciliations are reviewed by Randy Rabehl. No exceptions were noted as a result of this examination.

B. ESCROW FILE REVIEW

Idaho Code § 41-2705(3)

IDAPA 18.01.25.011 & 12, 18.01.56.017

A sample of the escrow files were reviewed within the parameters of our examination for adequate written instructions, conformity to the written instructions by the Title Agent, rates charged as filed, signed settlement statements, receipt and disbursement ledgers, evidence of receipts and disbursements made, file overdrafts, and business interests of the escrow officers. No exceptions were noted as a result of this examination.

CONCLUSION

I certify and attest that I have examined the Title Agent's tract indexes, abstract records, as well as other records, and the operation of the Title Agent's business and other matters relevant to the affairs of the Title Agent. I further certify that I have no relationship, other than in my capacity as examiner and/or regulator, with the Title Agent or its employees and that no conflict of interest exists that would prevent me from conducting the examination. I acknowledge the assistance and cooperation of the Title Agent's employees during the examination. Based on my examination, I prepared this Examiner's Report of Exceptions (the "Report") in accordance with Idaho Code § 41-2710(7). I confirm that the findings, conclusions, and recommendations contained in this Report are my own.

Respectfully submitted,

The Department makes the following findings of fact and imposes penalties and stipulations:

The Department shall assess a penalty in the amount of \$1,200.00 in accordance with IDAPA 18.01.25.004.01 and 18.01.56.018.01. However, the Department waives this penalty with the stipulation and understanding that the Department retains the right to perform a target exam anytime in the future regarding cancellations and billings for such cancellations and impose new penalties based on any findings of violations.
