

How to Apply for a Resident Producer License.

An insurance producer is a licensed salesperson working for an insurance agency. The main goal of the insurance producer is to acquire new customers and cross-sell new policies to existing customers of the agency. All individuals (producers) are required to be licensed if they sell, solicit, or negotiate (act as a producer) in insurance products in Idaho

Step 1. Decide what lines of authority (LOA) you want to sell.
For a detailed list of what is covered by each LOA click [here](#).

- **Life:** Coverage on human lives, including benefits of endowment and annuities, benefits in the event of death or dismemberment by accident, and benefits for disability income.
- **Accident Health and Sickness** (often referred to as Health or Disability in other states): Includes accident and health or sickness insurance coverage for sickness, bodily injury or accidental death and benefits for disability income.
- **Property:** Insurance coverage for the direct or consequential loss or damage to property of every kind.
- **Casualty:** Insurance coverage against legal liability, including liability for death, injury or disability or damage to real or personal property.*
- **Personal lines:** Property and casualty insurance coverage sold to individuals and families for primarily noncommercial purposes.
- **Variable:** Life and variable annuity products, meaning insurance coverage provided under variable life insurance contracts and variable annuities. Licensees must have an active FINRA CRD number to carry the variable line.
- **Limited Lines:** Please see the [Limited Lines](#) page for information on limited lines.

Step 2. Study for the Licensing Exam.

- Idaho does not require pre-licensing education, however, we strongly recommend reviewing the [content outline](#) for the line of authority you wish to carry.
- The department does not provide study material for the exam. A list of third party entities who do provide study material can be found on our [web site](#).

Step 3: Decide where you want to take your Licensing Exam

NONCRIMINAL JUSTICE APPLICANT PRIVACY STATEMENT

As an applicant who is the subject of a national fingerprint-based criminal history record check for a non-criminal justice purpose you have certain rights which are discussed below.

This serves as notification from the Idaho Department of Insurance that your fingerprints will be used to check the criminal history records of the State of Idaho and the FBI and that those records will be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency or other authorized entity. The collection of applicant fingerprints in Idaho is authorized by Idaho Code §67-3008.

- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- Procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record, or decline to do so, before being denied the job, license, or other benefit based on information in the criminal history record.
- Disclosure of your Social Security number is voluntary and is solicited pursuant to the Federal Privacy Act and Idaho Code 67-3012 to aid the processing of an interstate background check request for noncriminal justice purposes allowed by federal statute, federal executive order or a state statute that has been approved by the attorney general.

The fingerprints and information reported from this request may be disclosed pursuant to your consent, and may also be disclosed by the FBI without your consent as permitted by the Federal Privacy Act of 1974 (5 USC 552a(h)). Routine uses include, but are not limited to, disclosures to appropriate governmental authorities responsible for civil or criminal law enforcement, counterintelligence, national security or public safety matters to which the information may be relevant; to State and local governmental agencies and nongovernmental entities or application processing as authorized by Federal and State legislation, executive order, or regulation, including employment, security, licensing, and adoption checks. Depending on the nature of your application, other authorities may include numerous Federal or State statutes pursuant to Public Law 92-544 or other authorized authorities.

According to Idaho state law and if agency policy permits, you may be provided a copy of your FBI criminal history record for review and possible challenge upon submission of a written request. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/about-us/cjis/background-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same website address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30-16.34)

If a change, correction or update needs to be made to an Idaho criminal history record, that process information is available on the Idaho State Police website.

HARD CARD FINGERPRINT INSTRUCTIONS

The Idaho Department of Insurance **STRONGLY encourages you to use the electronic fingerprint process** if at all possible. Please see the comparison of the process below.

Hard Card Fingerprinting

- Turn around time can be **over 5 weeks**.
- You will need to find a law enforcement agency that can take the fingerprints on your own.
- You will need to pay:
 - the Pearson Vue
 - to have the fingerprints taken by law enforcement.
 - for the postage to mail them.
 - for any reprints.
- Nobody will verify your card before you mail it and if anything is incorrect or left out you will have to pay all of it again.
- Increased likelihood of low-quality fingerprints. You will be responsible for the costs of getting new fingerprints.

Electronic Finger Printing

- Turn around time is typically **3-7 days**
- Can be taken at the same time and place as your exam.
- You only need to pay the Pearson Vue fee.
