

How to Transfer Your Resident State to Idaho.

Licensees moving to Idaho must license as residents within 90 days of moving to Idaho or within 90 days of cancellation of their former home state license, whichever is first. If the licensee does not apply for their Idaho license within that time frame, they will need to follow the new licensee process, including testing. Please follow the 6 steps below to ensure the process goes smoothly.

___ **Step 1:** Be a resident of Idaho.

You need to have proof of residency in order to have your fingerprints processed.
Examples: Idaho drivers license, lease agreement, utility bill etc.

___ **Step 2:** Have your Fingerprints taken for a background check.

Pages 9-11 of this document outline how to have your fingerprints taken with the Departments only vendor, Pearson Vue.

___ **Step 3:** Make your Application Packet.*

This packet must include:

- ___ The completed paper application (pages 2-5 of this document).
- ___ The completed [CHRI release form/Non-Criminal Justice form](#)(page 6 of this document).
- ___ A copy of the fingerprint receipt from Pearson Vue.
- ___ The **non-refundable** application fee of \$80⁰⁰. This can be a check or money order made out to "Idaho Department of Insurance".

___ **Step 4:** Deliver the Application Packet.

Send the complete Application Packet to:

Idaho Department of Insurance
700 West State Street Floor 3
PO Box 83720
Boise, ID 83720-0043

___ **Step 5:** Wait to hear from the Department of Insurance.

The Department will contact you when it is time to move to step 6.

___ **Step 6:** Request a "Letter of Clearance" from your home state.

If your home state does not issue letters of clearance, you will need to follow your home state's prescribed procedure to terminate your license. Idaho will be unable to process your application until your home state posts the deactivation of your license to the PDB.

___ **Step 7:** Send the Letter of Clearance to agent@doi.idaho.gov with the subject line "Letter of Clearance for YOUR NAME".

* If you are transferring one of the following license types **and** do not already have a non-resident license in Idaho you will need to include the items listed below with the application packet.

___ **Bail Bond Agents are also required to submit:**

- ___ A bond in the amount of \$15,000. The bond must be on the DOI's [bond form](#).
- ___ An [Appointment](#) to a Surety company. Please note the National Producer Number will be blank.

___ **Public Adjusters are also required to submit:**

- ___ A bond in the amount of \$20,000. The bond needs to be on the DOI's [bond form](#).

NONCRIMINAL JUSTICE APPLICANT PRIVACY STATEMENT

As an applicant who is the subject of a national fingerprint-based criminal history record check for a non-criminal justice purpose, you have certain rights, which are discussed below.

This serves as notification from Idaho Department of Insurance that your fingerprints will be used to check the criminal history records of the State of Idaho and the FBI and that those records will be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency or other authorized entity. The collection of applicant fingerprints in Idaho is authorized by Idaho Code §67-3008.

- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- Procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record, or decline to do so, before being denied the job, license, or other benefit based on information in the criminal history record.
- Disclosure of your Social Security number is voluntary and is solicited pursuant to the Federal Privacy Act and Idaho Code §67-3012 to aid the processing of an interstate background check request for noncriminal justice purposes allowed by federal statute, federal executive order, or a state statute that the attorney general has approved.

The fingerprints and information reported from this request may be disclosed pursuant to your consent, and may also be disclosed by the FBI without your consent as permitted by the Federal Privacy Act of 1974 (5 USC § 552a). Routine uses include, but are not limited to, disclosures to appropriate governmental authorities responsible for civil or criminal law enforcement, counterintelligence, national security or public safety matters to which the information may be relevant; to State and local governmental agencies and nongovernmental entities or application processing as authorized by Federal and State legislation, executive order, or regulation, including employment, security, licensing, and adoption checks. Fingerprints will be searched against all available fingerprints retained in the NGI system. Depending on the nature of your application, other authorities may include numerous Federal or State statutes pursuant to Public Law 92-544 or other authorized authorities. Idaho does not retain non-police applicant fingerprints, and those prints are not retained at the FBI for future comparisons against submitted fingerprint requests at the time of the applicant's submission.

According to Idaho state law, and if agency policy permits, you may be provided a copy of your FBI criminal history record for review and possible challenge upon submission of a written request. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process can be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same website address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/ corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30-16.34)

If a change, correction, or update needs to be made to an Idaho criminal history record, that process information is available on the Idaho State Police website <https://isp.idaho.gov/bci/criminal-history/>
