The following Report of Examination is respectfully submitted.

SCOPE OF EXAMINATION

This limited scope examination covered the period from January 1, 2005, through December 31, 2009, and consisted of a general review of the Association's operations, practices and compliance procedures.

The examination was conducted at the Boise, Idaho office of the Association's professional manager, Association Services Group, Inc. (ASG). The examination was conducted pursuant to Idaho Administrative Code (IDAPA) 18.01.17, section (011(04)(d).

The Association is incorporated as a not-for-profit organization which, is under the general supervision of the Department of Insurance, State of Idaho, and has had delegated to it the responsibility for determination of eligibility for export of particular proposed coverages to eligible unauthorized insurers (see IDAPA 18.01.17(011)(01)) and to more effectively enforce the provisions of the surplus line brokers' laws.

No annual statements are required to be filed with the Department. However, financial statements, prepared by an independent certified public accountant, are to be filed annually with the Department.

PRIOR EXAMINATION

The prior examination (limited scope) was conducted by the State of Idaho and covered the period of January 1, 1999, through December 31, 2004.

A review was made to ascertain what action was taken by the Association with regard to comments and recommendations made by the Department in the prior examination report. Unless otherwise mentioned in the *Comments and Recommendations* section of this report, the prior report exceptions were adequately addressed by the Association.

CORPORATE RECORDS

Articles of Incorporation and Bylaws

The restated Articles of Incorporation and amended Bylaws were reviewed for the period covered by this examination. The articles currently in effect were dated August 18, 1997 and were filed with the Idaho Secretary of State on October 3, 1997. The Second Amended Bylaws were adopted by the Board of Directors on August 17, 1998.

The Association is required to file any changes to its Articles of Incorporation, Bylaws, Rules and Procedures for prior approval with the Director of the Idaho Department of Insurance, as required by IDAPA 18.01.17.011.04(a). During the period covered by this examination, there were no changes or amendments made to the Association's Articles of Incorporation.

In 2005, the Department approved the Association's request to an amendment to Article XVII, Funds and Disbursements, of the Association's bylaws. The approval was for the addition of the underlined wording indicated below:

(4) Disbursements for the funds of the corporation shall be subject to approval of the board of directors. The board of directors shall audit or review, or cause to be audited or reviewed, the accounts of the corporation prior to each annual meeting of its members and in its discretion, at any other time. A report of such annual audit or review shall be presented at the annual meeting. All persons responsible for the handling of funds shall be bonded in an amount to be determined by the board of directors.

Minutes of Meetings

The minutes of meetings of the Association's members and Board of Directors were reviewed for the examination period. The review indicated that the meetings were held in compliance with the Bylaws.

Business Owners Package Policy	Property:

Authorized Surplus Line Insurers

A comparison was made of the Association's white list per their computer file and as listed on the Association's website to the Department's white list on February 9, 2011; no differences were noted [Note: the white list is a list of eligible surplus line insurers approved by the Idaho Insurance Director pursuant to Idaho Code 41-1217 (2)]. The Association updated its white list when new information was received from the Department. It also did a reconciliation between its white list and the Department's white list quarterly.

Licensed Surplus Line Brokers

The Association has procedures in place to examine each submission from licensed Idaho Surplus Line Brokers to assure compliance with IDAPA 18.01.17.011.02, and Idaho Code Section 41-1217. The Association utilizes the listing of eligible surplus line insurers, which has been compiled by the Director, to assure that the insurers utilized are so eligible for all business placed by each broker.

The brokers on the Association's list were traced to the Department's listing of surplus line brokers, dated February 11, 2011. No discrepancies were noted.

Based on the aforementioned reviews, the Association was in compliance with Surplus Lines – Delegation of Responsibility rules.

Diligent Search

The Association has established a process which requires each broker to execute an electronic affidavit in compliance with Idaho Code Section 41-1215 and IDAPA Section 18.01.18.011.02 when an insurance policy is sent. The language in the affidavit was reviewed and was determined to be in compliance with the aforementioned code section and rule.

ACCOUNTS AND RECORDS

General Accounting

Records and files were, in general, well maintained and were kept on a cash basis. The Association used in-house personal computers to maintain its accounting records. The Association utilized QuickBooks Pro and Microsoft Access software. Stamping and premium tax data is generated by a program written by Current Software of Reno, Nevada, which utilizes the data maintained in Access files. The computer system produces a general ledger, trial balance, balance sheet, income statement and journal entries on a monthly basis. Cash receipts and disbursements records are maintained through the QuickBooks Pro software.

Independent Accountants

Jones, France, Basterrechea & Brush, Chtd., located at Gooding, Idaho was the Association's independent accountant who expressed the audit opinion on the Association's financial

statements during the periods under examination. Jason Coles, CPA, Boise, Idaho, was subcontracted by Jones, France, Basterrechea & Brush, Chtd. to perform the annual audit of the Association.

The independent accountant's report, issued for the year ending December 31, 2009, indicated that the balance sheet and related statement of revenues, expenses and changes in net assets were prepared on a modified cash basis, which is "*a comprehensive basis of accounting other than generally accepted accounting principles.*" The report further stated that the financial statements presented fairly, in all material respects, the assets, liabilities, and net assets of the Association as of December 31, 2009, and its revenues and expenses for the year ended 2009.

Further, the independent auditors' reports for the period under examination were filed with the Idaho Department of Insurance in compliance with IDAPA 18.01.17.011.04 (d).

The independent accountant's 2009 work papers were made available for this examination. Based on the Department's limited scope examination, nothing came to its attention that would preclude reliance upon the independent accountant's report.
