Docket No. 18-4644-25

**ORDER ADOPTING REPORT
OF EXCEPTION EXAMINATION
AS OF DECEMBER 31, 2023**

The State of Idaho Department of Insurance (“Department”), having conducted an examination of the affairs, transactions, assets, tract indexes, abstract records, and any other records of SECURED LAND TRANSFERS, LLC [Canyon County], doing business as TitleOne (“Secured”) to ascertain compliance with Title 41, Idaho Code, and related rules, pursuant to Idaho Code §§ 41-2710(7) and 41-219(1) and (5), hereby alleges the following facts that constitute a basis for issuance of an order, pursuant to Idaho Code § 41-227(5)(a), adopting the Report of Exception Examination of Secured for the period of January 1, 2019 to December 31, 2023 (“Report”), as filed.

FINDINGS OF FACT

1. Secured is a title agency licensed by the Department to transact title insurance in Canyon County, Idaho, under Title Agency License No. 712480.

2. The Department completed an examination of Secured pursuant to Idaho Code §§ 41-2710(7) and 41-219(1) and (5) on or about December 20, 2024. The Department’s findings are set forth in the Report. In summary, the examiner found that Secured violated the Department’s rules as follows:

- a. From January 1, 2019, through December 31, 2023, Secured violated Idaho Code § 41-2710(7) and IDAPA 18.05.01.031.01 on multiple occasions by

purchasing and expensing items of value and then by exhibiting a pattern of neglect by failing to maintain the necessary documentation required to ascertain compliance with Title 41, Idaho Code and its related rules.

- b. From January 1, 2019, through December 31, 2023, Secured violated IDAPA 18.05.01.031.01, IDAPA 18.05.01.031.04(b)(i), and Exhibit 1(1)(2) on one (1) occasion by providing a \$250 monetary lunch sponsorship to producers of title business.

3. Based on these findings, the examiner recommended Secured:

- a. Revise its procedures to ensure records pertaining to all future business expense items and items of value are properly documented for the purpose of ascertaining compliance with Title 41, Idaho Code § 41-2710(7) and IDAPA 18.05.01.031.01; and
- b. Revise its procedures to ensure future items of value provided to producers of title business comply with IDAPA 18.05.01.031.01, IDAPA 18.05.01.031.04(b)(i), and Exhibit 1(1)(2); and
- c. Pay an administrative penalty of \$750.00 for violations of IDAPA 18.05.01.031.01, IDAPA 18.05.01.031.04(b)(i), and Exhibit 1(1)(2).

4. Pursuant to Idaho Code § 41-227(4), a copy of the Report was filed with the Department on February 5, 2025, and was transmitted to Secured on February 6, 2025. A copy of the Report is attached hereto as Exhibit A.

5. Pursuant to Idaho Code § 41-2710(7), Secured had twenty-eight (28) days from service of the Report within which to review, comment, or request a hearing on the Report.

6. On February 7, 2025, the Department received a Waiver from Secured, signed by Jessica Meade, its Chief Operating Officer. By execution of such Waiver, a copy of which is attached

hereto as Exhibit B, Secured consented to the immediate entry of a final order by the Director of the Department (“Director”) adopting the Report without any modifications; waived its right to make a written submission or rebuttal to the Report; and waived its right to request a hearing and to seek reconsideration or appeal for the Director’s final order.

CONCLUSIONS OF LAW

7. Idaho Code § 41-227(5)(a) provides that, after expiration of “the period allowed for the receipt of written submissions or rebuttals, the Director shall fully consider and review the Report, together with any written submissions or rebuttals and relevant portions of the examiner’s work papers” and shall enter an order adopting the report of examination as filed or with modifications or corrections.

8. Secured’s actions are considered violations and administrative penalties are appropriate per Idaho Code §§ 41-2708(3), 41-117, and 41-1016.

9. Having fully considered the Report and record, the Director concludes that, regarding the matters examined, the Report’s comments, findings, and recommendations are appropriate and should be incorporated herein as if set forth in full.

The following Report of Exception Examination is respectfully submitted.

FOREWORD

This is an exception examination report of the practices and procedures of Secured Land Transfers, LLC, d/b/a TitleOne, an Idaho Title Agent licensed in Canyon County. The examination was conducted remotely from the offices of the Idaho Department of Insurance (the “Department”) located at 700 West State Street, 3rd Floor, Boise, Idaho.

In performing this examination, the examiner(s) reviewed a sample of the Agent’s procedures, files, and documentation. Some noncompliant practices may not have been discovered during this examination. In addition, examiners may have documented practices and procedures that did not appear to be in the best interest of Idaho insurance consumers. However, failure to identify or criticize specific practices, products, or files does not constitute approval thereof by the Department.

The examination comments are restricted to areas of concern and are not intended as commentary on the various favorable aspects of the Agent’s operations. Furthermore, these comments should not be regarded as reflecting the integrity or capabilities of individuals at the Agent. As such, this report may not fully reflect the procedures and practices of the Agent.

This examination report cites Idaho Statute and administrative rules promulgated by the Department. Statute and rule citations are current unless otherwise noted.

The final examination report comprises the examiner’s report, the Agent’s response, if any, and any administrative actions based on the findings of the Department. The goal of the examination team was to produce an examination report that reflects agreement in content with the Agent. The report indicates where agreement was or was not possible.

PURPOSE AND SCOPE OF EXAMINATION

The purpose of this examination is to determine compliance with applicable Idaho Statutes, and promulgated rules issued by the Department.

The period covered by this examination is January 1, 2019 through December 31, 2023. Specific areas examined include operations/management, claims, advertising and marketing, title file review and escrow fiduciary account and file review.

The authority of the Department to perform this examination includes, but is not limited to, Idaho Code § 41-2710(7), which grants authority to the Department to regular examinations of the tract indexes, abstract records, and any other records to ascertain compliance with title 41, Idaho Code, and related rules, of a title agent not more than every fifth year, unless the agent otherwise requests or the director has cause to believe the same does not comply with said title or the rules thereunder.

EXECUTIVE SUMMARY

The examination identified a total of two (2) findings of exceptions. For detailed information, including the exceptions, violations, imposed penalties, and recommendations, please refer to the relevant section of this report. Below is an overview of these exceptions:

1) Advertising and Marketing (Section II, pages 7-9)

- **Exception #1:** The Agent, on multiple occasions, demonstrated a pattern of neglect by failing to maintain the necessary documentation required to ascertain compliance with Title 41, Idaho Code and its related rules. Agents are required to maintain such documents to demonstrate no items of value were provided.
- **Exception #2:** The Agent, on one (1) occasion, provided a \$250.00 monetary lunch sponsorship, which is an item of value not permitted, for Coldwell Banker Tomlinson's, a producer of title business, educational sales seminar titled Ninja Installation.

HISTORY AND DESCRIPTION

TitleOne Corporation was duly incorporated, with its Articles of Incorporation filed with the Idaho Secretary of State ("ISOS") on May 3, 2000. On May 23, 2000, TitleOne Corporation's initial Idaho operations commenced when they were licensed as a title agent by the Department in Ada County. On March 5, 2001, they expanded operations and became licensed as a title agent in Canyon County. In October 2011, they acquired Idaho Title and Trust, Inc. and merged with Vandelay LLC in September of 2016 wherein TitleOne Corporation was the surviving entity. As a result of the merger, Title Resource Group became the sole shareholder of TitleOne Corporation. On February 7, 2018, Secured Land Transfers, LLC, the current entity and Agent subject to this examination, was formed and issued a Certificate of Registration by the ISOS. On February 22, 2019, a Statement of Merger was filed with the ISOS, merging TitleOne Corporation and TitleOne

Exchange Company into Secured Land Transfers, LLC and subsequently an assumed business name of TitleOne was filed. On March 1, 2019, as a result of the merger, a restructured and new title agent license number was issued by the Department. They operate across much of the state, holding a title agent license in twenty-five (25) counties. They conduct business in Canyon County out of offices in Nampa and Caldwell, Idaho.

PRIOR EXAMINATION

Our examination included a review to determine if the four (4) exceptions noted in the preceding report of exception examination, dated December 17, 2019, which covered the period of January 1, 2016 through December 31, 2018, were satisfactorily addressed. We determined that the Agent satisfactorily addressed those exceptions.

EXAMINATION FINDINGS AND RECOMMENDATIONS

I. OPERATIONS AND MANAGEMENT

The examination included a review of the Agent's operations and management. The focus of this section of the examination includes review of management and control, contracting authority, surety bond, claims, and financial interests of the title entity management and ownership.

A. MANAGEMENT, CONTROL AND FINANCIAL INTERESTS **IDAPA 18.05.01.014 & 015**

Coulter, Michael Stephen Hammer, Veronica Hern, Cameron McFaddan, Jessica D. Meade, Laura Page, Randal A Rabehl, Ryan Taylor, and Amy Wilcoxson. No exceptions were noted as a result of this portion of the examination.

The Agent has underwriting contracts with Chicago Title Insurance Company, Commonwealth Land Title Insurance Company, DOMA Title Insurance, Inc, Fidelity National Title Insurance Company, First American Title Insurance Company, Old Republic National Title Insurance Company, Stewart Title Guaranty Company, Title Resources Guaranty Company, and Westcor Land Title Insurance Company. The underwriting contracts are subject to high liability limits, without underwriter approval, ranging from \$4,000,000.00 to \$5,000,000.00 with deductibles for loss of \$5,000.00. No exceptions were noted as a result of this portion of the examination.

C. SURETY BOND
Idaho Code §§ 41-2710(6), 2711
IDAPA 18.05.01.021.07 & 08

D. CLAIMS
Idaho Code § 41-2708(1) & (2)

The Agent reported twenty-two (22) claims filed within the examination period. Several of the claims appear to pertain to alleged missed easements, encroachments, liens, rights of access, or other related matters. Other reported claims may include employee errors and improperly indexed publicly recorded instruments. There does not appear to be any substantive issue with the title plant. No exceptions were noted as a result of this portion of the examination.

II. ADVERTISING AND MARKETING
Idaho Code § 41-2708(3) & (4)
IDAPA 18.05.01.031 & Exhibit 1

The examination included a review of the Agent’s marketing and sales practices. A general ledger for each year under examination for all accounts involving contributions, donations, sales expenses, travel and meal expenses, Agent/staff function expenses, as well as samples of listing packages or property profiles were requested and received. After a cursory review of the general ledgers, samples were picked within our examination parameters. Supporting documents for the samples were requested, received, and reviewed.

A total of two (2) exceptions were noted as a result of this portion of the examination, detailed as follows:

Violations of Idaho Code § 41-2710(7) and IDAPA 18.05.01.031.01	
Exception Number	Examination Findings
1	The Agent, on multiple occasions, demonstrated a pattern of neglect by failing to maintain the necessary documentation required to ascertain compliance with Title 41, Idaho Code and its related rules.

Idaho Code § 41-2710(7) states, in relevant part, with emphasis added: “Regular examination of the tract indexes, abstract records, and **any other records** to ascertain compliance with Title 41, Idaho Code, and related rules . . .”

The above provision impliedly requires agents to keep records necessary such that the Director of the Department of Insurance may ascertain compliance with title 41, Idaho Code and related rules. It will be the burden of the title entity to be prepared to present documentation to the Department of Insurance that no items of value were provided.

IDAPA 18.05.01.031.01 states, in relevant part, with emphasis added: “**Items of Value.** A title entity **will not** provide items of value to a producer of title business, consumer or member of the general public **except** as permitted in Sections 031.02, 031.03, 031.04 and 031.05 of this chapter. If a providing of things of value **does not clearly fit into the rules . . . then it is not allowed.**”

Violations, Exception #1: The Agent, on multiple occasions, was in violation of Idaho Code § 41-2710(7) and IDAPA 18.05.01.031.01 for purchasing and expensing items of value without maintaining and presenting corroborating documentation necessary to ascertain compliance with Title 41, Idaho Code and its related rules.

Recommendations, Exception #1: Considering that this is the first occurrence of these specific types of findings and associated violations, it is recommended that no administrative penalties be imposed at this time. However, the Department retains the right to impose administrative penalties for any future occurrences of these same violations.

It is further recommended that the Agent prepare and submit a written proposal to the Department. This proposal should delineate the procedures that will be implemented to ensure that records pertaining to all future business expense items and/or items of value are properly documented for the purpose of ascertaining compliance with Title, 41 Idaho Code and its related rules.

Violations of IDAPA 18.05.01.031.01, IDAPA 18.05.01.031.04(b)(i), and Exhibit 1(1)(2)	
Exception Number	Examination Finding
2	On or about March 21, 2023, the Agent, on one (1) occasion, provided a \$250.00 monetary lunch sponsorship, which is an item of value not permitted, for Coldwell Banker Tomlinson’s, a producer of title business, which hosted an educational sales seminar titled Ninja Installation.

IDAPA 18.05.01.031.01 states, in relevant part, with emphasis added: “**Items of Value.** A title entity **will not** provide items of value to a producer of title business, consumer or member of the general public **except** as permitted in Sections 031.02, 031.03, 031.04 and 031.05 of this chapter. If a providing of things of value **does not clearly fit into the rules . . . then it is not allowed.**”

IDAPA 18.05.01.031.04(b)(i) states, in relevant part, with emphasis added: “. . . A title entity may participate in or make presentations at educational programs which are conducted or presented by other entities. The title entity is **not** permitted to expend **any money** to sponsor or cosponsor these programs . . .”

EXHIBIT 1(1)(2) states, in relevant part, with emphasis added: “A title entity shall not provide items of value except as provided in Sections 031.02, 031.03, 031.04, and 031.05 of IDAPA 18.05.01. The following is a partial, but not all inclusive, list of acts and practices which are

considered illegal inducements not permitted by the Idaho Insurance Code: **1.** A title entity **will not sponsor** any activity **off its premises unless** the producer of title business bears the entire cost of the activity. . . **2.** A title entity **will not sponsor**, subsidize, supply prizes or labor, or **otherwise provide items of value** for promotional activities of producers of title business . . .”

Violations, Exception #2: The Agent, on one (1) occasion, was in violation of IDAPA 18.05.01.031.01, IDAPA 18.05.01.031.04(b)(i), and Exhibit 1(1)(2) for providing a \$250.00 monetary lunch sponsorship, an item of value specifically not permitted, for an educational event hosted by and for the benefit of Coldwell Banker Tomlinson’s, a producer of title business.

Recommendations, Exception #2: The prior examination of the Agent, dated December 17, 2019, identified Advertising and Marketing exceptions related to the distribution of items of value specifically not permitted to producers of title business, which were issued without administrative penalty.

Considering that the previous violations are specifically related to the current type of violations, it is recommended that the Director issue an order of administrative penalty for violations of IDAPA 18.05.01.031.01, IDAPA 18.05.01.031.04(b)(i), and Exhibit 1(1)(2). The penalty should be three (3) times the rebate or illegal inducement, amounting to \$750.00, in accordance with Idaho Code § 41-2708(3).

It is further recommended that the Agent prepare and submit a written proposal to the Department. This proposal should delineate the procedures that will be implemented to ensure that any future items of value provided to producers of title business are in strict compliance with IDAPA 18.05.01.031.01, IDAPA 18.05.01.031.04(b)(i), and Exhibit 1(1)(2).

III. TITLE FILE REVIEW
