The examination was conducted remotely from the offices of the Idaho Department of Insurance (the “Department”) located at 700 West State Street, 3rd Floor, Boise, Idaho.

In performing this examination, the examiner(s) reviewed a sample of the Agent’s procedures, files, and documentation. Some noncompliant practices may not have been discovered during this examination. In addition, examiners may have documented practices and procedures that did not appear to be in the best interest of Idaho insurance consumers. However, failure to identify or criticize specific practices, products, or files does not constitute approval thereof by the Department.

Furthermore, these comments should not be regarded as reflecting the integrity or capabilities of individuals at the Agent. As such, this report may not fully reflect the procedures and practices of the Agent.

This examination report cites Idaho Statute and administrative rules promulgated by the Department. Statute and rule citations are current unless otherwise noted.

The final examination report comprises the examiner’s report, the Agent’s response, if any, and any administrative actions based on the findings of the Department. The goal of the examination team was to produce an examination report that reflects agreement in content with the Agent. The report indicates where agreement was or was not possible.
