**ORDER ADOPTING
REGULATORY SETTLEMENT
AGREEMENT**

On or about January 26, 2018, the Idaho Department of Insurance (“**Department**”) received notice of a proposed regulatory settlement agreement involving Generali – U.S. Branch (“**Generali**”). The Director of the Department (“**Director**”), having reviewed the same, makes the following findings and conclusions:

1. The Director has jurisdiction in the state of Idaho over matters involving insurance regulation, pursuant to the Idaho Insurance Code, Idaho Code § 41-101 *et seq.*
2. Generali is a New York-domiciled insurer holding Idaho Certificate of Authority No. 1868 and is authorized to transact insurance in the state of Idaho.
3. The insurance regulators for the states of Missouri, Minnesota, Ohio, Oklahoma, Pennsylvania, and Utah (the “**Lead States**”) undertook targeted market conduct examinations of

certain travel insurance companies, including Generali, regarding the companies' travel insurance practices. As part of the examination, the Lead States raised a number of regulatory issues with Generali.

4. Generali denies any wrongdoing or violations of law.

6. The Director finds that the terms of the Agreement are appropriate and adoption of the Agreement is in the best interests of the state of Idaho.

7. NOW, THEREFORE, in consideration of the premises,

IT IS HEREBY ORDERED that the Agreement is hereby approved, adopted, and fully incorporated herein by reference. Generali shall comply with all terms and conditions of the Agreement in accordance with its provisions.

**IN THE MATTER OF
GENERALI U.S. BRANCH
NAIC # 11231**

REGULATORY SETTLEMENT AGREEMENT

This Regulatory Settlement Agreement (“Agreement”) is entered into as of this 24 day of January, 2018 by and between the Company, the Signatory Lead States and the insurance regulators who, on behalf of their agencies, have executed the form of “Participating State Adoption” set forth as Exhibit A, pursuant to the definitions, terms and conditions set forth below.

A. Recitals

1. At all relevant times during the Examination Period the Company has been a licensed insurance company domiciled in the State of New York and authorized to write Travel Insurance in the Participating States. The Company has offered and sold Travel Insurance policies in the Participating States.

2. Beginning in 2014, the Lead States initiated an investigation of the Travel Insurance industry (“Investigation”) by conducting targeted market conduct examinations of several travel insurance companies, including the Company. Market conduct examination warrants were issued by the Missouri Department of Insurance (and subsequently amended) to the Company regarding travel insurance practices relating to “underwriting and rating, policyholder service, claims, producer licensing, marketing and sales, complaints, and operations/management,” covering the period from January 1, 2010 through December 31, 2014 and rates and underwriting information for the period of January 1, 2010 through June 30, 2017. This Examination was supported by the efforts of the National Association of Insurance Commissioners' Market Actions Working Group.

3. As part of the Investigation and Examination, the Lead States have raised a number of regulatory issues with the Company and other travel insurance companies, which the Lead States seek to address, clarify or remedy by this Agreement.

4. The Company has cooperated with the Lead States and their examiners and vendors during the course of the Examination by making its books and records available for examination, responding to questions from, and meeting on multiple occasions with the Lead States and their consultants, and making its personnel and agents available to assist as requested by the Lead States.

The Company asserts that at all times relevant to this Agreement, including, but not limited to, the Exam Period, the Company and its officers, directors, employees, agents and representatives acted in good faith and in a manner they believed to be in the best interest of the Company's policyholders and in compliance with all applicable Insurance Laws.

5. The Company denies any wrongdoing or activity that violates any applicable laws or regulations, but in light of the complicated issues raised and the probability that long-term litigation and/or administrative proceedings would be required to resolve the disputes between the Parties hereto, the Parties have agreed to resolve all issues relating to the Examination and the regulatory issues through this Agreement. The Participating States and the Company voluntarily enter into this Agreement solely for the purpose of reaching a compromise and settlement to fully and finally resolve the issues raised in the Examination without the need for a hearing or further administrative action.

6. All matters encompassed within the scope of this Agreement and addressed in this Agreement, shall be fully and finally resolved according to the terms of this Agreement without further regulatory or administrative processes or any actions, requirements or monetary payments beyond those enumerated herein.

7. The terms and conditions of this Agreement will apply in all of the Participating States unless inconsistent with a Participating State's Insurance Laws, in which case the inconsistent provision of the Agreement will be rendered ineffective only in the Participating State(s) whose Insurance Laws conflict with the provision.

8. The Participating States specifically acknowledge that the Company's acquiescence to this Agreement is not indicative of whether the Company engaged in any of the practices identified herein.

9. This Agreement sets forth (B) Definitions, (C) Business Reforms, (D) Review and Refund Program, and (E) Other Provisions.

The Company will have six (6) months after the Effective Date to adopt and implement such business reforms, unless a different date is prescribed herein.

Distribution Participants

1. **Licensing and Registration.** Company agrees to ensure that all Distribution Participants, through which its travel insurance products are distributed, will be properly licensed or registered, where required, under applicable state Insurance Law. Company will ensure that for all Distribution Participants operating on its behalf, all registries will be maintained according to the Insurance Laws of each of the Participating States. Company also agrees that it will not provide compensation to any entities or individuals offering or selling Travel Insurance on its behalf or to provide compensation to any entity or individual unless such entity or individual is lawfully permitted to receive such compensation in accordance with applicable state Insurance Law. Within thirty (30) business days after the Effective Date and the Company has received a list of the Participating States, Company further agrees to provide a notice in the form of Exhibit B ("Notice") along with non-confidential sections of this Agreement, to all Distribution Participants who are required to be licensed or registered under the Participating State's Insurance Laws and involved in the sale or distribution of its Travel Insurance. Company further agrees to work in good faith with its licensed and registered Distribution Participants to ensure that Exhibit B is provided to all Distribution Participants that offer or sell Company's Travel Insurance. Within twenty (20) business days after the Notice has been sent, Company will provide the Signatory Lead States with a list of all Distribution Participants provided with Exhibit B.

2. **Third Party Oversight.** Company agrees to audit all Administrators operating on its behalf pursuant to the terms of this section. During the Monitoring Time Period, such audits will occur at least twice annually and will review business practices, adherence to contractual obligations, compliance with any fiduciary duties established pursuant to applicable Insurance

Law, and separation of funds according to the requirements of applicable Insurance Law. At least one of the two audits per year will be conducted at the office of the entity, which is being audited. Details of each audit, including the audit plan, date performed, items reviewed, concerns noted, if any, and corrective action taken, if any, will be documented and retained by Company during the Monitoring Time Period and thereafter in accordance with applicable record retention requirements set forth in the Insurance Laws in the Participating States. Company also agrees to develop and maintain a procedure manual for conducting such audits. After the expiration of the Monitoring Time Period, Company agrees to audit all Administrators operating on its behalf as required by applicable state Insurance Law. Company further agrees, during the Monitoring Time Period, to notify Signatory Lead States of any changes in Administrators acting on its behalf. This includes Administrators with new contracts and Administrators that have contracts terminated with the Company.

Rates and Forms

3. **Filing and Timing.** Company agrees to review its policy forms, rates, and rules used in connection with the sale of Travel Insurance and abide by any changes Participating States adopt as part of their Insurance Law or which are made known to the Company during the rates and forms filing and review process. The changes that the Company will abide by may include those adopted by a Participating State based on the actuarial review conducted as part of this multi-state examination and the Company's response to that actuarial review (each of which is and shall remain a confidential work paper that is not a part of the public Agreement.) The Company shall determine if the policy forms, rates and rules comply with state Insurance Law in each of the Participating States and with the Participating State's implementation of this Agreement. The Company will file, re-file, or certify existing filings for its policy forms, rates, and rules in the Participating States on or before 9 months after the Effective Date, where necessary to be in compliance with a Participating State's Insurance Law and the Participating State's implementation of this Agreement. Company will have twelve (12) months (with the opportunity to request additional time from the Signatory Lead States) after such filings are approved or accepted, pursuant to each Participating State's Insurance Laws, to implement related requirements, including, but not limited to, provisions relating to emergency medical transportation and repatriation of remains, for that product under Participating State Insurance Law and subject to

Section A (7) under this Agreement. The Company may request confidential treatment of rating and underwriting information that it files pursuant to the Insurance Laws of the Participating States. Company further agrees that on or before 12 months after the Effective Date, it will provide the Signatory Lead States with a list of all Participating States where it does not intend to refile or file policy forms, but intends to write Travel Insurance business, and a list of all Participating States where it intends to file or re-file its policy forms, rates or rules.

4. **Filed Rate Elements.** Pursuant to the filing and timing provisions specified in Section C (3) above, Company agrees that in all Participating States, it will follow that state's filing requirements as set out in the state's Insurance Law, including, if required, filing all elements used in its rating process such that rates can be replicated based upon its rate filings.

5. **Policy Details.** All coverage benefits, limits, exclusions and deductibles shall be contained in a written document, or where not prohibited by state Insurance Law, in an electronic document provided to the policy purchaser at the time of purchase. Limits include, but are not limited to, per person, per accident, and aggregate coverage limits, if applicable.

6. **No Unfair Discrimination.** Company agrees not to utilize any unfair discrimination, as defined by the Insurance Laws in each Participating State, in its Travel Insurance rate and rule filings for use in the Participating States.

7. **Rate Filings.** Pursuant to the filing and timing provisions specified in Section C (3) above, in Participating States where Travel Insurance rate filings are required, Company agrees to comply with each Participating State's Insurance Laws, and, where required, to file specific rates, factors, and inputs for rating each coverage or coverages that are actuarially justified, including all elements used in the development of Travel Insurance premium rates for any coverage. The filings shall include clear definitions of all terms used. Company also agrees to ensure that the calculation of Travel Insurance premiums charged by the Company or by Distribution Participants to individuals insured under the Company's coverages are not excessive, inadequate or unfairly discriminatory.

8. **Consistent Rates.** Pursuant to the filing and timing provisions specified in Section C (3) above, where required by Participating State Insurance Laws, the Company agrees that the

premium charged to the insured for Travel Insurance will not vary between Distribution Participants when the trip cost, state of residence, coverages, and all other factors, including, but not limited to, risk factors, are the same. Where required by a Participating State's Insurance Law, the Company will maintain a means to identify the forms and rates used by each Distribution Participant and for each amount charged to an insured, and the amounts charged must be able to be independently calculated by a Participating State based on the forms and rates identified (and any other factors used in determining the amount charged).

9. Charges and Fees. Pursuant to the filing and timing provisions specified in Section C (3) above, Company agrees that the cost of its Travel Insurance will be the filed rate. Company agrees that it will not engage in unfair discrimination, as defined by the Insurance Laws of each Participating State, and will prohibit its Distribution Participants from engaging in unfair discrimination, as defined by the Insurance Laws of each Participating State, in the application of any premium or fees charged for Travel Insurance, at any point in the sales transaction for the sale of the Company's Travel Insurance coverage. Pursuant to the filing and timing provisions specified in Section C (3) above, any fees charged for the sale of the Company's Travel Insurance coverage that are charged to a consumer must relate directly back to a charge incurred or a service provided in connection therewith.

10. Self-Funding Insurance Coverages. Company agrees that on or before 6 months after the Effective Date, it will prohibit any Distribution Participant operating, selling, or conducting business on its behalf from Self-Funding Insurance Coverages, including but not limited to, trip cancellation, trip interruption, or other insurance coverages unless the entity that is self-funding has a valid certificate of authority issued by the applicable Participating State Department of Insurance or unless such benefits are offered through a Travel Cancellation Fee Waiver program. Pursuant to the filing and timing provisions specified in Section C (3) above, Company also agrees to prohibit any Distribution Participant operating, selling, or conducting business on its behalf from self-funding emergency medical transportation, or repatriation of remains once Company is required to implement the related requirements pursuant to Section C (3) above, unless the entity that is self-funding has a valid certificate of authority issued by the applicable Participating State Department of Insurance. Company further agrees to provide a written notice in the form of Exhibit B, along with non-confidential sections of this Agreement, to

all Distribution Participants, who are required to be licensed or registered under the Participating State's Insurance Laws and are involved in the sale or distribution of the Company's Travel Insurance, informing each Distribution Participant that state Insurance Laws for Self-Funding Insurance Coverages must be complied with if any coverage is unauthorized insurance. Company agrees to report to the Signatory Lead States, during the Monitoring Time Period, any instances where they become aware that Distribution Participants are self-funding any insurance coverages, in conjunction with offering or selling the Company's Travel Insurance, in contravention of the terms of this section.

11. Free Insurance. Except as permitted by law, Company agrees that it will not provide and will prohibit its Distribution Participants, in the sale of the Company's Travel Insurance, from providing basic Travel Insurance coverage free of charge, but then charge a fee for any upgraded Travel Insurance product or service. Company further agrees that it will not advertise and will prohibit its Distribution Participants from advertising that its Travel Insurance is free for children or included at no additional cost when a surcharge or any additional charge is placed on coverage for adults.

12. Free Look Refunds. Where a Travel Insurance contract contains a free look provision, in the event of a valid cancellation of Travel Insurance, Company agrees to refund all amounts collected, including premium and fees, for Travel Insurance from the purchaser by the Company or a Distribution Participant, unless the Insurance Law of a Participating State provides otherwise. No contract that contains a free look provision shall allow any Distribution Participants to keep any fees collected from the purchaser for the sale of the Company's Travel Insurance if a valid cancellation of the Travel Insurance occurs. Refunds shall be made within thirty (30) days of the cancellation of the Travel Insurance unless the time for making refunds is prescribed by the applicable Participating State's Insurance Law.

13. Insurance Documents to Comply with State Law. Company agrees that all insurance-related documents, including but not limited to, policy forms, endorsements, and certificates of insurance, will be in compliance with applicable state Insurance Law in each of the Participating States. Company further agrees that its claims manuals, underwriting procedures

manuals, and related documents follow the contracts of Travel Insurance issued and are in compliance with applicable state Insurance Law in each of the Participating States.

Sales Practices

14. **Unfair Discrimination.** Company agrees that it will not engage in unfair discrimination, as defined by the Insurance Laws of each Participating State, and will prohibit its Distribution Participants from engaging in unfair discrimination, as defined by the Insurance Laws of each Participating State, in the application of any Travel Insurance premium or fees charged, at any point during the sale of the Company's Travel Insurance coverage. Any premium or fees for the Travel Insurance coverage that is charged to a consumer must relate directly back to the filed rating plan. Pursuant to the filing and timing provisions specified in Section C (3) above, the Company agrees that any premium or fees charged to a consumer by the Company or by a Distribution Participant for the Company's Travel Insurance coverage must relate directly back to an approved rate filing or a service provided. Company also agrees to prohibit any Distribution Participants from charging a separate fee for Travel Insurance in addition to the Travel Insurance premium or to add any charges or fees for any of the Company's Travel Insurance products without a separate written agreement with the insured, unless permitted by a Participating State under its Insurance Law. Company agrees to report to the Signatory Lead States, during the Monitoring Period, any instances of which the Company becomes aware of where Distribution Participants charge a separate fee in addition to the Travel Insurance premium, for the Company's Travel insurance, without a separate written agreement with the insured, unless permitted by a Participating State under its Insurance Laws.

15. **Prohibited Sales Practices.** Company agrees that it will not engage in any deceptive, fraudulent or misleading sales practices, as defined by the Insurance Laws of the Participating States, in connection with the sale of the Company's Travel Insurance and will prohibit its Distribution Participants from engaging in any deceptive, fraudulent or misleading sales practices, as defined by the Insurance Laws of the Participating States, in connection with the sale of the Company's Travel Insurance. Company further agrees that it will not offer or sell Travel Insurance policies using an Opt-Out Marketing Plan in any Participating State unless the use of such Opt-Out Marketing Plan is permitted by the Participating State's Insurance Law and

will prohibit its Distribution Participants from offering or selling the Company's Travel Insurance policies using an Opt-Out Marketing Plan in any Participating State unless the use of such Opt-Out Marketing Plan is permitted by the Participating State's law.

16. **Compulsory Insurance.** Except as permitted by law, Company agrees that it will not require or mandate, and will prohibit its Distribution Participants, in the sale of the Company's Travel Insurance, from requiring or mandating the purchase of Travel Insurance as a condition for the purchase of the trip or travel package. This prohibition includes representing to any consumer that the purchase of Travel Insurance is compulsory.

17. **Illusory Travel Insurance.** Company agrees that it will not offer or sell Illusory Travel Insurance Coverage and will prohibit its Distribution Participants, in the sale of the Company's Travel Insurance, from offering or selling Illusory Travel Insurance Coverage.

18. **Advertising and Marketing.** Company agrees to ensure that all sales materials, advertising materials, marketing materials and other consumer-facing documents comply with the Insurance Laws of the Participating States to the effect that they: a) are consistent with all insurance-related documents, including but not limited to, forms, endorsements, policies and certificates of insurance, b) relate back to filed rates, made pursuant to the filing and timing provisions specified in Section C(3) above, c) do not contain ambiguous language where such language is not permitted by a Participating State's law, and d) are not untrue, deceptive or misleading.

19. **Policy Interpretation.** Any disputes regarding Travel Insurance policy language will be interpreted consistent with each Participating State's Insurance Law governing the interpretation of insurance contracts.

20. **Trusts.** Pursuant to the filing and timing provisions specified in Section C (3) above, Company agrees that it will not sell, and will prohibit its Distribution Participants, in the sale of the Company's Travel Insurance, from selling its Travel Insurance through a trust in a Participating State where the Participating State does not authorize the sale of Travel Insurance through a trust.

21. **Group and Blanket Coverage.** Pursuant to the filing and timing provisions specified in Section C (3) above, Company agrees that it will not sell Travel Insurance, containing property and casualty benefits, and will prohibit its Distribution Participants from selling Company's Travel Insurance, containing property and casualty benefits, on a group or blanket basis in a Participating State where the Participating State's Insurance Law prohibits the sale of Travel Insurance, containing property and casualty benefits, on a group or blanket basis. Company further agrees that where the sale of Travel Insurance, containing property and casualty benefits, on a group or blanket basis is not prohibited by a Participating State, any coverage documents based on a group or blanket policy will not be issued to residents of a Participating State where the Participating State's Insurance Law prohibits Travel Insurance, containing property and casualty benefits, on a group or blanket basis to be sold in the Participating State. All sales of the Company's Travel Insurance to residents of Participating States that prohibit the sale of Travel insurance containing property and casualty benefits on a group or blanket basis shall be on an individual basis.

Claims and Claims Practices

22. **Handling of Claims.** Company agrees that claims for Travel Insurance benefits, including pre-existing conditions claims, will be adjudicated based on the Insurance Laws of the Participating State where the purchaser resides and based on the relevant insurance policy language. Company agrees that unless otherwise specified or subject to another term, condition or exclusion under the policy, a pre-existing condition waiver waives all pre-existing conditions.

23. **Coordination of Benefits.** Company shall pay claims in accordance with Participating State's coordination of benefit laws, where such laws are applicable to Travel Insurance.

Record Retention

24. Company agrees that it will maintain documentation of its underwriting, rating, complaint, and claims files in accordance with applicable state law in the Participating States.

Insurance and Assistance Services

25. Pursuant to the filing and timing provisions specified in Section C (3) above, and where prohibited by law in a Participating State, Company agrees not to combine and package the cost of Assistance Services or Travel Cancellation Fee Waivers with the cost of Travel Insurance in its rate filings and in the sale of its Travel Insurance to consumers, and will prohibit its Distribution Participants from combining and packaging the cost of Assistance Services or Travel Cancellation Fee Waivers with the cost of Travel Insurance in the sale of its Travel Insurance to consumers. Pursuant to the filing and timing provisions specified in Section C (3) above, and where combining and packaging the cost of Assistance Services or Travel Cancellation Fee Waivers with the cost of Travel Insurance is not prohibited by law in a Participating State, Company agrees that it will provide all disclosures in connection with the sale of the combined and packaged product that are required by Insurance Law in a Participating State.

Premium Tax

26. Company agrees that it will pay premium tax on all sales of Travel Insurance where required by law.

27. Unless otherwise provided for by law, Company agrees to report premiums collected by the Company and by Distribution Participants, and to pay premium tax for Travel Insurance premiums, that are included in a policy and in a rate filing, to the appropriate Participating State, based on the state of residence of a) the primary Travel Insurance policyholder for sales of individual policies, b) the blanket Travel Insurance policyholder for sales of blanket policies that are permitted under Section C (21), and c) the primary Travel Insurance certificate holders for sales of group policies that are permitted under Section C (21). Company further agrees to obtain and maintain documentation of specific identifying information necessary to determine the state to which premium tax should be reported, including but not limited to, the policyholder's or certificate holder's name, address and zip code pursuant to the applicable Participating State's law.

Miscellaneous

28. Company agrees that, in connection with the, offer or sale of its Travel Insurance, it will comply with Insurance Laws in the Participating States on anti-rebating and will require its Distribution Participants to comply with Insurance Laws in the Participating States on anti-rebating. Company agrees to monitor Distribution Participants to ensure compliance with anti-rebating laws in the Participating States in connection with the offer or sale of its Travel Insurance.

29. Company agrees that it will adhere to, in each of the Participating States, except Pennsylvania, all Forward Looking Guidelines for Rate Filings which are contained in the Merlinos & Associates Report for Generali U.S. Branch dated November 8, 2017 which are part of the confidential examination work papers for Examination Number 1503-14-TGT, to the extent that such Forward-Looking Guidelines are required by the Participating State in a filing and consistent with the Insurance Laws in the Participating State, and with the understanding that this requirement to follow the guidelines is subject to each Participating State's enforcement of the RSA and that a Participating State can choose not to require the Company to follow these guidelines.

30. Company agrees that it will adopt and implement in each of the Participating States all recommended corrective actions contained in the Corrective Action for Claims Report dated December 1, 2016, (which is part of the confidential examination work papers for Examination Number 1503-14-TGT, which is not a part of the public Agreement) to the extent such corrective actions are consistent with the Insurance Laws in the applicable Participating State.

D. Review and Refund Program

Opt-Out Refund Program

1. Without admitting any liability whatsoever, and subject to the provisions of this Agreement, Company agrees that it will create and capitalize a trust fund (hereinafter the "Fund") in an amount specified as the Examination Refund in Confidential Exhibit C: "Examination Refund and Administrative Payment", which in whole is and shall remain a confidential examination work paper for Examination Number 1503-14-TGT that is not a part of the public Agreement. The Fund will be used to refund, pursuant to the terms of this Section D, eligible

claimants, (hereinafter "Claimants"), defined to include those consumers who (i) purchased a Travel Insurance product or service from the Company or its Distribution Participants through an Opt-Out Marketing Plan between January 1, 2010 and the Execution Date, (ii) while residing in any Participating State¹, and (iii) who has completed the attestation form described below in Sections D(6) and D(7).

2. Company denies any wrongdoing in connection with the sale of Travel Insurance through the use of an Opt-Out Marketing Plan and disputes the allegation that use of an Opt-Out Marketing Plan violates state law in any of the Participating States.

3. The Fund and all details thereof shall be considered part of the confidential Examination work papers for Examination Number 1503-14-TGT which is not a part of the public agreement.

4. Subject to the pro-rata and cap provisions in Section D (10) the amount of the refund for Claimants who did not make an insurance claim will be their Total Plan Cost. Total Plan Cost is defined as the combined total amount the Claimant paid for Company's Travel Insurance product and for any Assistance Services or Travel Cancellation Fee Waivers.

5. The Fund will be administered by the Company or by a third party agent on behalf of the Company. The Fund will be created within four months of the Effective Date and will exist until terminated pursuant to Section D (11).

6. Within four months of the Effective Date, the Company or its agent will mail a letter informing potential Claimants of the existence of the Fund. For the purposes of this Section, potential Claimants include only those individuals or entities who purchased the Company's Travel Insurance that was offered using an Opt-Out Marketing Plan in a state and during the period provided in Section D (1) of this Agreement. The mailing will provide instructions that will describe how the potential Claimant can, either by way of an attached paper form or through a clearly identified web-site hosted by the Company or its agent, make a claim, requiring that the potential Claimant attest to:

¹ The Company's obligation to refund Claimants in a Participating State under Section D of this Agreement is subject to any separate agreement entered into by a Participating State with the Company pursuant to Section E (18).

- (a) the Claimant's name;
- (b) the Claimant's mailing address; and
- (c) that the Claimant
 - (i) purchased Travel Insurance from the Company or its Distribution Participants, during the time period from January 1, 2010 to the Execution Date,
 - (ii) was unaware that he or she purchased the travel insurance at the time of sale,
 - (iii) did not make or file a claim for a Travel Insurance payment; and
 - (iv) has not already received a refund of the full amount paid to the Company or to the Distribution Participant for the Company's Travel Insurance sold to the Claimant.

The contents of the letter informing potential claimants of the existence of the Fund as well as the contents of the paper and web-based claim form created by the Company are subject to the approval of the Signatory Lead States and shall remain a confidential examination work paper for Examination Number 1503-14-TGT. The paper and web-based claim forms may include antifraud and anti-perjury language only in those Participating States whose Insurance Laws authorize the use of such language, and the language shall be consistent with the requirements of those Participating State Insurance Laws.

7. For only mailings that are returned as undeliverable within thirty (30) days after mailing as specified in Section D(6) above, the Company will make a good faith effort in the following 30 days to locate a correct address for the Claimant by utilizing a database such as Accurint or another similar database. If a new address is discovered, a new mailing will be sent to the Claimant within fifteen (15) days of the discovery of the new address consistent with the terms of Section D (6). If no new valid address is determined by this process, then the Company has no further obligation to try to contact the Claimant under this Agreement.

8. Claimants shall have up to ninety (90) days from when the last required communication as described in Sections D(6) or D(7) above is dated, in which to make a claim either electronically or by return of a paper claim form based on the date the form was sent

electronically or postmark of the mailed return claim form. The end of the last ninety (90) day period described above, which will be the latest date that valid claim forms can be submitted, is the Response Closing Date.

9. Within forty-five (45) days after the Response Closing Date, the Company or its agent will verify the claim information received through the website or responsive mailings against the Company's records, validate the eligibility of the prospective Claimant, and calculate the final amount of verified claims received.

10. In the event that verified and valid claims exceed the amount specified as the Examination Refund in Confidential Exhibit C: Examination Refund and Administrative Payment, the Company shall issue payment for all verified and valid Fund claims on a pro-rata basis. In no event shall the Company pay more than the amount specified as the Examination Refund in Confidential Exhibit C Examination Refund and Administrative Payment.

11. All refunds for verified and valid claims shall be issued within three (3) months of the Response Closing Date, unless the Parties agree to an extension. At the end of this period, the Fund will terminate.

12. Ninety (90) days after the termination of the Fund, the Company will provide the Signatory Lead States with a final accounting of all sums paid as refunds, which shall be considered part of the confidential Examination work papers for Examination Number 1503-14-TGT, which is not a part of the public Agreement.

The accounting will include:

- (a) the name of the Claimant;
- (b) the address of the Claimant;
- (c) the amount of the refund;
- (d) the date of the refund; and
- (e) the date the refund draft was cashed.

13. Within one-hundred-twenty (120) days after the termination of the Fund, any monies remaining undistributed in the Fund will be returned to the Company.

14. Any uncashed refund checks will be processed by the Company or the administrator of the Fund pursuant to the respective escheatment laws in the Participating States. Within one-hundred-twenty (120) days after the termination of the Fund, the Company or the administrator of the Fund will also provide the Signatory Lead States and applicable Participating States a listing of the uncashed checks and a summary by state of the balances that will remain open under the applicable escheatment laws, in case a claimant attempts to cash a check after the closure of the Fund. Such balances would be withheld from final distribution and held in a restricted cash account/escrow by the Company on behalf of the states upon the termination of the Fund and held in custody until the last draft has cleared or the applicable state escheatment law is satisfied.

15. All information, records and correspondence pertaining to the refund payments and the claims process shall be considered as confidential Examination work papers for Examination Number 1503-14-TGT, which is not a part of the public Agreement.

E. Other Provisions

1. Authority to Execute. The Parties represent and warrant that the person(s) executing this Agreement on behalf of each Party has the legal authority to bind the Party to the terms of this Agreement.

2. Full and Final Agreement. This Agreement, including exhibits, confidential exhibits, and the confidential addendum represents the entire understanding between the Company and the Participating States with respect to the subject matter contained herein and supersedes any and all prior or existing understandings, agreements, plans and negotiations, whether written or oral, between the Company and any Participating State. This Agreement constitutes full and final resolution of the issues raised in the Examination in each of the Participating States.

3. Multi-State Administrative Payment. Without admitting any liability whatsoever, the Company will pay a total of \$492,000 as an Administrative Payment. The Administrative Payment shall not be considered as a penalty or fine, and shall be distributed among the Participating States in an equitable manner proposed by the Signatory Lead States. Within twenty (20) business days after the Effective Date, the Signatory Lead States will: a) provide the Company with a copy of each Participating State's signed State RSA Adoption Form (Exhibit A); and b) provide the Company with an allocation table specifying the percentage and payment amount

payable to each Participating State. Payment shall be made by the Company to each Participating State within thirty (30) business days of receipt of each Participating State's completed and executed Exhibit A and payment instructions from the Signatory Lead States, unless the Company and the Signatory Lead States agree to an extension. Payment shall be made as directed in each Participating State's signed State RSA Adoption Form (Exhibit A). Only Lead States that timely execute this Agreement, becoming Signatory Lead States, and Participating States that timely deliver an executed State Adoption of Regulatory Settlement Agreement Form as set forth in Exhibit A to the Signatory Lead States will receive a payment pursuant to the terms of this Section. The payment amounts under this Agreement are not a penalty or fine, and reflect the Company's mitigating factors and level of cooperation. Subject to the provisions of Section D, upon receipt of payment by each Participating State, the Company's financial obligation to the Signatory Lead States and Participating States arising from the Examination shall be extinguished.

4. **Monitoring.** During the Monitoring Time Period, the Company shall provide the Signatory Lead States with semi-annual reports, in a format acceptable to the Signatory Lead States, beginning six (6) months from the Effective Date addressing the implementation and execution of the requirements of this Agreement, pursuant to section B (15). Each report shall be delivered to each of the Signatory Lead States within thirty (30) days following the end of the applicable reporting period. During the Monitoring Time Period, the Signatory Lead States may provide feedback to the Company regarding its meeting the requirements of this Agreement.

5. **Confidentiality of Monitoring.** The monitoring of the Company for compliance with the terms of this Agreement constitutes an ongoing examination by each of the Signatory Lead States pursuant to each of their respective jurisdiction's Insurance Laws. To the extent permitted by Participating State law, all audit reports, statistical reports, work papers, documents and any other information produced, obtained, or disclosed in connection with the Examination and any follow-up examination of the Company contemplated under this Agreement, regardless of the manner of production or disclosure, shall be given confidential, trade secret, and privileged treatment, shall not be subject to subpoena, and shall not be made public, and are not public records subject to disclosure. Nothing in this Agreement is intended to, nor shall it, preclude Participating States from sharing records and other information relating to the Examination, the Agreement or

disclosing the results of compliance with the Agreement to other governmental or law enforcement entities to the extent permitted by State law.

6. **Monitoring Costs.** During the Monitoring Time Period, the reasonable costs and expenses of the Signatory Lead States related to the monitoring of the Company's compliance with this Agreement, including the costs and expenses of conducting the ongoing examination referenced in Section E (4), shall be borne by the Company.

7. **No Additional Exams.** During the Monitoring Time Period, if the Company complies with all provisions contained in this Agreement, the Participating States agree they will not initiate any market conduct examinations and/or investigations relating to any of the issues subject to this Agreement other than the ongoing examination by the Signatory Lead States referenced in Section E (4) above.

8. **Enforcement.** The execution of this Agreement by the Signatory Lead States and the timely adoption of this Agreement by the Participating States pursuant to Section E (24) constitute the entry of an Order by each Lead and Participating State. Any enforcement action brought by any Participating State shall be in conformity with the provisions of this paragraph. If a Participating State believes that the Company has breached a provision of this Agreement, including, but not limited to, the Business Reforms that Participating State shall provide written notice of the alleged breach, including citation to the applicable provision(s) of the Agreement and law(s), to the Company and will also notify the Signatory Lead States that the alleged breach has occurred. Company shall have the opportunity, within fifteen (15) business days of receipt of such notice, to present evidence in writing and/or through appearance before the state insurance regulator in an attempt to rebut the allegation(s) or to seek an extension to address the alleged breach. Company shall then have ninety (90) business days from the date of receipt of the state's determination of the alleged breach to cure such breach, unless extension(s) are agreed to by the Participating State, which shall not be unreasonably withheld. The Participating State and the Company agree to act and negotiate in good faith to resolve any alleged breach of the Agreement. A breach constitutes a breach of the entire Agreement only if the breach is deemed material, which for purposes of this Agreement means a significant, substantial failure in the performance of the Agreement, and central to the entire Agreement. A breach may be deemed material in a

Participating State without being material in all Participating States. A material breach of this Agreement shall constitute the violation of an Order where determined in any Participating State in which the material breach occurs. A Participating State shall not pursue any enforcement action against the Company until the cure period as well as any additional time provided through extensions has expired, but may then seek, without limitation, to enforce the provisions of this Agreement through administrative or legal enforcement actions and may seek penalties for violations of this Agreement. Any enforcement action brought by any Participating State shall be governed by the laws and regulations of that Participating State. It is understood and agreed that in the determination of whether or not a given activity is a breach or a material breach of either the Participating State's law or of this Agreement, Company shall have the right to due process afforded under the laws of the Participating State(s) alleging a breach, including but not limited to notice and the opportunity for a hearing, if applicable.

9. **Sunset.** The provisions contained in Section C of this Agreement will expire on the later of five (5) years from the Effective Date or the end of the Monitoring Time Period.

10. **Governing Law.** This Agreement shall be governed by, and interpreted in accordance with each Participating State's law. Any action or proceeding to enforce the provisions of this Agreement brought by any Participating State shall be governed by the laws and regulations of such Participating State.

11. **Release.** Each Participating State hereby agrees to and does release the Company and any of its parents, affiliates, and subsidiaries, branch manager, successors, assigns, officers, directors and employees, including but not limited to Customized Services Administrators, Inc. and Generali Global Assistance, Inc. from any and all claims, sanctions, losses, demands, interest, penalties, actions or other causes of action that each Participating State may have, prior to the Effective Date, by reason of any matter, cause or thing whatsoever, regarding or relating to this Examination and the issues raised or that could have been pursued as a result of matters falling within this Examination or encompassed by the scope of this Agreement or as a result of any practices revealed by the Examination, to the extent such practices commenced prior to the Effective Date of this Agreement. Notwithstanding the foregoing, this Agreement is not intended to, nor may it be construed to, limit a Participating State's authority to investigate, examine or act

upon any noncompliance of the Company with Insurance Laws or regulations regarding matters not within the scope of this Agreement. Further, nothing in this Agreement limits the authority of the Participating States to conduct any regulatory functions, including but not limited to dealing with specific instances of consumer complaints, licensing of insurers, Administrators, producers and other entities, or rate and form filing reviews which occur as part of Participating State's normal product filing review process. This Agreement is not intended and may not be construed to limit the authority of any Participating State to investigate, examine and take appropriate action as to matters outside the scope of this Agreement. Except as provided herein, nothing in this Agreement shall be construed to waive or limit any rights the Participating States may have to regulate the Company or to seek such other remedies for a violation of law or regulation.

12. **Subsequent Law.** If a Participating State adopts an Insurance Law relating to or conflicting with any provision of this Agreement, then application of such provision of this Agreement shall be superseded by such Insurance Law as it applies in that Participating State (and that state alone), and that all other unaffected terms and conditions of the Agreement shall remain in full force and effect.

13. **Non-Admissibility.** Neither this Agreement nor any part thereof, nor any act performed or document executed pursuant to or in furtherance of this Agreement, is now or may be deemed in the future to be an admission of or evidence of liability or any wrongdoing by the Company or any of its parents and subsidiaries, successors assigns, officers, directors and employees.

14. **No Admission of Liability.** This Agreement does not constitute an admission of liability, violation, or wrongdoing by the Company and the Company expressly denies that any of its actions or alleged actions were knowingly committed or represented a pattern and/or business practice that would violate the insurance unfair trade practice laws, claims settlement laws, or any other applicable statutes or regulations of any of the Participating States. Neither this Agreement nor any part thereof, nor any related negotiations, statements or court proceedings shall be offered by the Company, the Signatory Lead States, the Participating States or any third party as evidence of an admission, denial or concession of any liability or wrongdoing whatsoever on the part of any person or entity, including but not limited to the Company or the Participating States, as a waiver

by the Company or the Participating States of any applicable defenses, including without limitation any applicable statute of limitations or statute of frauds; or as a waiver by the Participating States of any regulatory authority regarding the matters or issues addressed in the Examination.

15. No Impairment of Legal Activity. This Agreement does not impair, restrict, suspend or disqualify the Company from engaging in any lawful business in any jurisdiction, based upon, or arising out of, the Examination regarding any alleged act or omission of the Company.

16. No Impact on Current Travel Insurance. Nothing in this Agreement or any of its terms and conditions shall be interpreted to alter in any way the terms or the validity of any of the Company Travel Insurance policies or certificates issued prior to the implementation date, pursuant to section B (15). The Company will, however, provide refunds to purchasers of Travel Insurance pursuant to Section D of this Agreement. Nothing in this Agreement shall be interpreted to release the Company from its obligation to pay claims in accordance with policy provisions. Further, nothing in this Agreement shall be interpreted to relieve the Company of its obligations to process consumer complaints in accordance with applicable law.

17. Extensions. The Signatory Lead States and the Company may mutually agree, in writing, to any reasonable extensions of time that might become necessary to carry out the provisions of this Agreement. In the event the Company believes it will be unable to meet a deadline under the Agreement, the Company will promptly, but in no event less than fourteen (14) business days prior to the deadline in question, inform the Signatory Lead States. The Company will use its reasonable best efforts to meet any such deadline as soon as practicable. The Signatory Lead States agree that they will consider all requests for extensions from the Company in good faith.

18. Amendments. No amendments shall be made to this Agreement except in writing and where agreed to by the Company and the Signatory Lead States on behalf of the Participating States. Nothing in this Agreement is meant to prohibit a Participating State from entering into a separate agreement with the Company regarding its Travel Insurance practices and procedures in that state.

19. **Notice and Request for Modification.** The Signatory Lead States will notify the Company of any Agreements or terms of Agreements that they enter into with any other Travel Insurance companies that is inconsistent with the Business Reforms (Section C) adopted in this Agreement. Upon receipt of such notice, Company may seek a modification to this Agreement relating to the Business Reform at issue from the Signatory Lead States, and the Signatory Lead States will not unreasonably withhold consent to such a request for modification.

20. **Counterparts.** This Agreement may be executed in one or more counterparts, all of which shall be deemed an original and all of which, when taken together, shall constitute one and the same Agreement. Execution and delivery of this Agreement may be performed by e-mail or facsimile transmission.

21. **Headings.** The section headings herein are intended for reference and shall not by themselves determine the construction or interpretation of this Agreement.

22. **Severability.** If any term or provision of this Agreement is determined by any court, regulatory or governmental agency to be illegal, unenforceable or invalid in whole or in part for any reason, such illegal, unenforceable or invalid provision or part thereof shall be deemed stricken from this Agreement, and such provision shall not affect the legality, enforceability or validity of the remainder of this Agreement. Additionally, in the event that a court, regulatory or governmental agency determines that the Company has failed to satisfy a provision of this Agreement, pursuant to the Enforcement provision in paragraph E (8), it is the intent of the Parties that the remainder of this Agreement and its corresponding obligations and provisions are not affected thereby and remain in effect.

23. **Preservation of Rights.** This Agreement shall not confer any rights upon any persons or entities other than the Parties to it or extinguish any such rights, and the Agreement is not intended to be used for any other, purpose. Nor shall the Agreement be deemed to create, any intended or incidental third-party beneficiaries, and the matters addressed herein shall remain within the sole and exclusive jurisdiction of the Participating States.

24. Participating State Adoption. States may adopt this Agreement and become Participating States only if they execute and return to the Signatory Lead States a Participating State Adoption in the form of Exhibit A on or before forty five (45) days from the Execution Date.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED THIS AGREEMENT AS OF THE DATE SET FORTH AFTER EACH OF THEIR NAMES.

Re: Regulatory Settlement Agreement

Dear Colleagues:

In 2014, several state insurance departments initiated market conduct examinations and investigations of the travel insurance industry generally. To resolve these examinations and investigations, participating states insurance departments have offered the opportunity for many of these insurance companies to enter into a Regulatory Settlement Agreement (the "Agreement") without any admission of wrongdoing. In an effort to get this matter resolved, Generali U.S. Branch ("Generali" "or "Company") thought it in its best interest for itself and its partners and clients to enter into this Agreement. Attached is a copy of (or link to) the Agreement, including all exhibits thereto, which we are required to provide you pursuant to Section C (1) thereof. Please note the requirements contained in the Agreement as they relate to Distribution Participants.

All travel insurance companies have a duty to ensure that their distribution participants (including agents and administrators such as TPA's and MGA's) comply with all applicable laws and regulations for agents and administrators who are acting on the Company's behalf. Pursuant to the terms of the Agreement, Generali hereby notifies you of the following specific regulatory requirements:

- **The solicitation and purchase of insurance is governed by applicable state law and anyone found violating state law may be subject to license revocation, administrative fines, civil penalties and other remedial actions provided for by applicable state law.**
- **No one may charge a separate fee for travel insurance in addition to the travel insurance premium or add any charges or fees for any of the Company's travel insurance products or related services without a separate written agreement with the insured, where prohibited by applicable law, and must comply with all state anti- rebating laws in connection with the sale of travel insurance.**
- **No one may offer or sell travel insurance policies using an opt-out marketing plan unless using opt-out for insurance is permitted by applicable law.**

- **No one may undertake to engage in underwriting or taking risk that would be considered the business of insurance, as defined by law, without a valid certificate of authority to do so, unless permitted by applicable law.**
- **No one may represent that travel insurance is compulsory, or require or mandate the sale of travel insurance as a condition for the purchase of a trip or travel package, unless permitted by applicable law.**
- **No one may sell in the same package or include or require in the sale of travel insurance the costs of non-insurance assistance services or travel cancellation fee waivers to consumers, or conversely sell in the same package or include or require in the sale of non-insurance assistance services or travel cancellation fee waivers, the cost of travel insurance, where prohibited by applicable law.**

Generali is required to work in good faith with its licensed and registered distribution participants to ensure that this Notice is provided to all distribution participants that offer or sell Company's travel insurance. Please forward a copy of this Notice to all travel retailers and business entities offering or selling Generali's Travel Insurance. Please contact [insert name of company contact and contact information] if you have any questions.
