Director

BULLETIN NO. 08-06

DATE: June 23, 2008

TO: All Authorized Insurers

FROM: W.W. Deal, Director

SUBJECT: Statistical Reports Required of Insurers Using the 2001 CSO Preferred Class Structure Table

The purpose of this Bulletin is to notify insurers of the Director's decision to waive the mortality experience reporting requirements for year 2007 for all insurers using the 2001 CSO Preferred Class Structure Table.

Subsection 012.03 of Idaho Department of Insurance Administrative Rule 79, (IDAPA 18.01.79), Recognition of Preferred Mortality Tables for Use in Determining Minimum Reserve Liabilities, requires every authorized insurer using the 2001 CSO Preferred Class Structure Table to annually file with the Director, the NAIC, or with a statistical agent acceptable to the Director, statistical reports showing mortality and such other information as the Director may deem necessary or expedient for the administration of this rule.

Subsection 012.03 of Rule 79 gives the Director the discretion to exempt companies from the statistical report filing requirement. Pursuant to that authority, the Director is exempting all companies using the 2001 CSO Preferred Class Structure Table from filing the statistical reports required under IDAPA 18.01.79.012.03 for reporting year 2007. Unless a company receives a specific request from the Department, companies using the 2001 CSO Preferred Class Structure Table should not file the statistical reports for 2007.
