SPECIAL NOTICE TO: ALL INSURANCE COMPANIES DOMICILED
 IN THE STATE OF IDAHO

FROM: ANTHONY J. FAGIANO, DIRECTOR
 DEPARTMENT OF INSURANCE

SUBJECT: REQUEST FOR COMPLIANCE WITH NAIC INSURANCE
 REGULATORY INFORMATION SYSTEM RATIO (IRIS)

DATE: FEBRUARY 23, 1990

The National Association of Insurance Commissioners (NAIC) has issued their request to the insurance companies operating in Idaho to file their 1989 annual statements with NAIC for inclusion in the Insurance Regulatory Information System Ratio program (IRIS). Although the Idaho Department of Insurance does not have authority to require insurers to file their 1989 annual statements with the NAIC for IRIS, the Department is of the opinion that supplying NAIC with the requested information for their IRIS program is in the best interest of the insurance industry in the State of Idaho. The IRIS program will provide invaluable information concerning insurers in the State of Idaho and other states.

Thus, the Department, recognizing the potential importance of the IRIS program to the state, requests insurers in the State of Idaho provide the requested information to NAIC.
