

How to Apply for a Resident Producer License.

An insurance producer is a licensed salesperson working for an insurance agency. The main goal of the insurance producer is to acquire new customers and cross-sell new policies to existing customers of the agency. All individuals (producers) are required to be licensed if they sell, solicit, or negotiate (act as a producer) insurance products in Idaho

Step 1. Decide what lines of authority (LOA) you want to sell. For a detailed list of what is covered by each LOA click [here](#).

- **Life:** Coverage on human lives, including benefits of endowment and annuities, benefits in the event of death or dismemberment by accident, and benefits for disability income.
- **Accident Health and Sickness** (often referred to as Health or Disability in other states): Includes accident and health or sickness insurance coverage for sickness, bodily injury or accidental death and benefits for disability income.
- **Property:** Insurance coverage for the direct or consequential loss or damage to property of every kind.*
- **Casualty:** Insurance coverage against legal liability, including liability for death, injury or disability or damage to real or personal property.*
- **Personal lines:** Property and casualty insurance coverage sold to individuals and families for primarily noncommercial purposes.
- **Variable:** Life and variable annuity products, meaning insurance coverage provided under variable life insurance contracts and variable annuities. Licensees must have an active FINRA CRD # to carry the variable line.
- **Limited Lines:** Please see the [Limited Lines](#) page for information on limited lines.

Step 2. Study for the Licensing Exam.

- Idaho does not require pre-licensing education., however, we strongly recommend reviewing the [content outline](#) for the line of authority you wish to carry.
- The Department does not provide study material for the exam. A list of third party entities who do provide study material can be found on our [web site](#).

Step 3: Decide where you want to take your licensing Exam

- Idaho has partnered with Pearson Vue to facilitate its testing needs.
- Tests can be taken at Pearson Vue testing locations or remotely via an online proctor. For a full list of Idaho locations [click here](#).

Step 4: Go to the [Idaho Department of Insurance' Pearson Vue page \(https://home.pearsonvue.com/id/insurance\)](https://home.pearsonvue.com/id/insurance)to register for the exam.
