**Selecting coverage through Your Health Idaho**

If you enroll in a small group health insurance plan through Your Health Idaho’s Small Business Health Options Program (SHOP), you may be able to qualify for the small business health care tax credit. Your Health Idaho’s Consumer Connectors are available to help you select the health plan that fits your employees’ needs.

## **Selecting a new health insurance plan for 2022**

You can choose a new employee health insurance plan for 2022 during the SHOP Open Enrollment period from November 15, 2021 until December 15, 2021. You may enroll outside of Open Enrollment if at least 70% of your full-time employees participate in the group plan.

- SHOP Enrollment – Enroll in a health plan [from [issuer name] or another insurance company] by contacting a Your Health Idaho certified agent or broker or contacting the insurance company. After completing a SHOP application and submitting it to Your Health Idaho, you can select a SHOP marketplace plan when your application is approved. If you have fewer than 25 full-time employee equivalents, you may qualify for the small business tax credit – see your tax advisor.
- Enrollment outside Your Health Idaho – Enroll in a new health plan with [issuer name] or another insurance company during open enrollment, with the assistance of an insurance agent or broker, if desired. Remember that if you do not submit an application through Your Health Idaho, enrollment will not be through the SHOP and you will not qualify for the small employer tax credit.

## **Important Issues to keep in mind**

Whether you decide to keep your replacement group plan or choose a different plan, call us or visit our website to check which doctors, other health care providers, and prescription medications will be in the plan network next year.
