**BEFORE THE DIRECTOR OF THE IDAHO DEPARTMENT OF INSURANCE**

In the Matter of:

**PACIFICSOURCE COMMUNITY  
HEALTH PLANS** an Oregon Company;  
holding NAIC CoCode 12595

Respondent.

Docket No. 18-4776-25

**AMENDED CEASE AND DESIST  
ORDER AND NOTICE**

To: **PACIFICSOURCE COMMUNITY HEALTH PLANS<sup>1</sup>,**

Pursuant to the authority granted to the Director of the Idaho Department of Insurance (“Department”) in the Idaho Insurance Code, section 41-101, *et seq.*, Idaho Code, in particular section 41-213(1)(a), Idaho Code, in addition to the Administrative Procedures Act, Idaho Code § 67-5201, *et seq.*, the Director of the Department issues this **AMENDED CEASE AND DESIST ORDER** without prior notice but with the opportunity for hearing based upon the following:

<sup>1</sup> This Cease and Desist Order and Notice is only amended to reflect the proper entity/name of the Respondent. In all other respects, it is identical to the Cease and Desist Order and Notice entered on October 29, 2025.

## **IDAHO LAW**

Idaho Code §§ 41-1301 through 41-1321, known as the Trade Practices Law, was enacted by the legislature of the state of Idaho to define, or provide for the determination of, all such practices in this state which constitute unfair methods of competition or unfair or deceptive acts or practices and by prohibiting the trade practices so defined or determined.

The Director of the Idaho Department of Insurance (“Director”) is authorized to determine, for the purposes of § 41-1301, which practices constitute unfair or deceptive acts.

Idaho Code § 41-1302 prohibits any person in this state from engaging in any trade practice which is prohibited or defined in that chapter or determined pursuant to that chapter to be an unfair method of competition or an unfair or deceptive act or practice in the business of insurance.

Idaho Code § 41-1321 grants the Director discretion to determine if any method of competition or any act or practice that is not expressly prohibited or defined in that chapter is unfair or deceptive.

Idaho Code § 41-1321 grants the Director authority to seek any relief authorized by title 41, Idaho Code for those acts he determines to be unfair or deceptive.

Idaho Code § 41-213(1)(a) authorizes the Director to issue an order requiring a person to cease and desist from engaging in any act or practice constituting a violation of the Idaho Insurance Code.

Idaho Code §§ 41-213(1)(a) and 67-5247 provides that an agency may act through an emergency proceeding, otherwise known as a cease and desist order, in a situation involving an immediate danger to the public health, safety, or welfare requiring immediate agency action, or where to prohibit any unlawful act or practice.

## **RESPONDENT**

1. PACIFICSOURCE COMMUNITY HEALTH PLANS (“PacificSource”) is an Oregon-domiciled insurer.

## **FINDINGS OF FACT**

2. PacificSource is an Oregon-domiciled insurer licensed to transact insurance in the state of Idaho.

3. On or about September 2025, it came to the Department’s attention that PacificSource was intentionally limiting access to Medicare Advantage (“MA”) products by curtailing access to MA applications online.

4. Through several licensed Idaho agents, it also came to the Department’s attention that PacificSource was intentionally limiting paper applications and consumer access.

5. Through multiple agents the Department learned PacificSource was rescinding agent commissions on MA plans effective November 1, 2025. PacificSource discontinued commissions even though commissions were included in the rates at development, filed for approval, and are being charged to Idahoans eligible for Medicare. Though PacificSource is charging Idahoans who choose an MA plan for an agent, the agent is not being compensated accordingly.

6. The Department verified PacificSource’s intentions when it received a copy of its *Amendment to Agent Agreement*, of October 17, 2025, wherein PacificSource notified agents that some MA plans would become non-commissionable for applications signed after November 1, 2025.

7. Many agents told the Department that they were informed directly by PacificSource representatives that the company did not want to sell any MA plans, despite planned marketing

efforts, because they were concerned about the volume of consumers who would enroll. Agents were told PacificSource discontinued offering commissions to discourage enrollment.

8. Agents informed the department they are being coerced into signing new contracts by November 1, 2025, with zero commission although the product was developed and consumers are charged for commissions. Failure to sign by November 1, 2025, would result in loss of contract and loss of commission and service ability for their other clients with other types of coverage.

9. Through PacificSource's producer bulletins of October 17<sup>th</sup> and October 27<sup>th</sup>, PacificSource reaffirmed their push for only paper applications on approved distribution channels, and that commission removal for certain areas of the state due to "market disruptions".

### **CONCLUSIONS OF LAW**

Based on the facts set forth above, the Director concludes as a matter of law that:

- a. The advertising and selling of MA plans (with or without the involvement of agents) constitutes the business of insurance.
- b. An insurance company marketing in Idaho is required to be licensed in Idaho and abide by the laws of the state, especially title 41 and including the Unfair Trade Practices Act.
- c. Seniors are afforded the opportunity to choose a plan through a limited open enrollment period of October 15<sup>th</sup> through December 7<sup>th</sup>. Due to the limited duration of open enrollment, PacificSource's actions require immediate action.
- d. Insurers spend significant funds to develop products and to actuarially rate products and submit those products for approval months in advance of the open enrollment period.

- e. PacificSource had every opportunity to design and develop their product before open enrollment.
- f. PacificSource is developing products and rates which account for commissions and then charging seniors the rate that includes commissions. By discouraging enrollment in those plans, it overstates its expenses and augments its profits by not paying the agents who market and service their customers.
- g. PacificSource is deliberately manipulating the insurance market by disincentivizing agents from selling MA plans by making enrollment and applications unavailable and by refusing to pay commissions that are being paid by the agents' clients.
- h. PacificSource is deliberately manipulating the insurance market by concealing MA plans from consumers by removing those applications from its website and requiring that applicants fill out a paper application instead and simultaneously making the paper application nearly impossible to obtain by all sales channels.
- i. PacificSource's practices constitute unfair or deceptive practices as contemplated in Idaho Code § 41-1321;
- j. Elderly consumers are among the most vulnerable and in need of MA products.
- k. Immediate action is needed to prevent present and future damage and further abuse.

Based on the foregoing findings of fact and conclusions of law, the Director enters the following order:

**ORDER TO CEASE AND DESIST**

*Now, therefore*, acting pursuant to the public interest and Idaho Code § 41-213(1)(a), it is hereby ORDERED that:

- a. PacificSource and its managing members, officers, employees, agents and successors, immediately CEASE AND DESIST from all practices and acts aimed at limiting or concealing MA plans from Idaho consumers;
- b. PacificSource, and its managing members, members, officers, employees, agents and successors, immediately CEASE AND DESIST from creating any disincentives of any kind to its agents to prevent the sale of MA plans;
- c. PacificSource, and its managing members, officers, employees, agents and successors, immediately CEASE AND DESIST from concealing MA plans on its applications either in paper or on its website or otherwise making it onerous to apply for those plans in favor of another plan.
- d. PacificSource and its managing members, officers, employees, agents and successors, immediately cease and desist from altering its contracts with agents to withhold commissions with the intent of manipulating the insurance market and depriving consumers of PacificSource's products.

#### **NOTICE**

Pursuant to Idaho Code §§ 67-5270 and 67-5272, any party aggrieved by this Order may appeal from such order to the district court by filing a petition in the district court of the county in which:

- d. the real property or personal property that was the subject of the agency action is located.

An appeal must be filed within twenty-eight (28) days: (a) of the issuance of this Order, (b) of the issuance of an order denying a motion for reconsideration, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration, whichever is later. Idaho Code § 67-5273(2). The filing of an appeal to the district court does not itself stay the effectiveness of enforcement of the order being appealed.
