Dear Member:

[Issuer name] has decided not to offer your current health insurance plan again next year [in the area you live]. Your current coverage will end [date]..

We have selected a new [issuer name] plan for you that's similar to your current plan. **Please read the following information carefully to decide whether you want to enroll in this plan or a different plan for 2025. Be sure to check if the doctors and other health care providers or facilities you visit are included in the new health insurance plan we have selected. If you take no action by December 16, 2024, you will be automatically enrolled in the plan we have selected.**

NEXT STEPS:

Take action by December 16, 2024, if you do not want coverage for 2025 or if you want a different health insurance plan for 2025.

Check to see if your doctors and medical providers are in-network for the 2025 health insurance plan.

Check to see if your prescriptions are covered by the 2025 health insurance plan.

It's important that you check the new health insurance plan to determine whether any doctors or other health care providers that you see are included in the new plan, and whether prescription medicines you take are covered. You can check this information at [issuer website], or by calling [issuer phone number].

Your new premium for the plan we selected, which will take effect January 1, 2025, is \$[dollar amount] per month. You can compare this plan to other plan options or check if you can get a tax credit to help you pay the premium at yourhealthidaho.org.

Your health insurance options for 2025

You can choose a different health insurance plan for 2025 during the Open Enrollment period from October 15, 2024 until December 16, 2024, for coverage effective January 1, 2025. Notify [issuer name] by December 16, 2024; otherwise you will be automatically enrolled in the plan we have selected for you.

- Your Health Idaho Enrollment – Enroll in a new health plan through Your Health Idaho, Idaho’s state health insurance exchange, and receive help paying for your health insurance costs if you qualify.
 - If you qualify for help paying out-of-pocket costs like deductibles or co-pays, you must choose a Silver level plan in order to receive this help.
 - Your Health Idaho will also check if you or family members qualify for Medicaid or the Children’s Health Insurance Program (CHIP).
 - You may also enroll in coverage through Your Health Idaho using a certified insurance agent or broker.
 - Remember that if you receive a tax credit to help pay for your health insurance, you must report changes in your income and household size during the year to Your Health Idaho. If you do not report changes, you could owe money when you file your income tax return because your tax credit was based on outdated information.

- Enrollment outside Your Health Idaho – Enroll in a new health plan directly with an insurance company during open enrollment, or get help from a local insurance agent or broker. If you qualify for financial assistance for paying your premiums and out-of-pocket costs, you must enroll through Your Health Idaho to receive those benefits.

Important Issues to keep in mind.

Whether you decide to keep the plan we’ve recommended for you or choose a different plan, call us or visit our website to make sure your doctor or other health care providers will be in your plan network next year. Also check to make sure any prescription medications you or family members take will be covered.
