**BULLETIN NO. 09-03**

**DATE:** April 15, 2009  
**TO:** Property and Casualty Insurers and Producers  
**FROM:** William W. Deal, Director  
**SUBJECT:** Liability Coverage Requirements for Motorbikes, All-Terrain Vehicles and Utility Type Vehicles – **Rescinds Bulletin 09-01**

---

The 2009 Legislature has passed and the Governor has signed into law two bills affecting the insurance coverage requirements for all-terrain vehicles, specialty off-highway vehicles, utility type vehicles and motorbikes. The bills are Senate Bill 1098 and Senate Bill 1131. Both bills took effect upon signing by the Governor on April 9, 2009, with the exception of certain fee provisions in Senate Bill 1098. **Based on these changes to the law, Bulletin 09-01 discussing liability coverage requirements for motorbikes, all-terrain and utility type vehicles is rescinded and should no longer be relied upon for guidance.**

All carriers and insurance producers offering insurance coverage for vehicles should carefully review Senate Bill 1098 and Senate Bill 1131. The bills may be viewed on-line through the website of the Idaho State Legislature at [www.legislature.idaho.gov](http://www.legislature.idaho.gov). Persons with questions regarding this bulletin should contact the Department of Insurance. Any questions regarding registration requirements for ATVs or other types of vehicles should be directed to the Registrations Section of the Idaho Department of Motor Vehicles or a local DMV office.
