Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

Section 025 of the rule states that the Director may require the filing of “direct response” advertising regarding disability accident and sickness policies. Some carriers, typically those seeking to sell limited benefit plans, object to filing advertising materials. This results in the Department sending a separate request for this material. The Department believes that it's appropriate to be able to review advertising material, and this change would streamline that communication and process. This rulemaking seeks to modify the rule to eliminate the reference to “direct response” advertising.
