The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

**DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

We expect to revise and update IDAPA 18.01.62 to include NAIC Annual Financial Reporting Model Regulation #205 provisions supporting the requirement of an independent internal audit function for large insurance companies or insurance holding company groups. The requirement would apply for insurance companies with over \$500 million in annual premiums written (or \$1 billion if a member of a group). This anticipated rulemaking will require a standard best corporate governance practice to assist company management and the board of large insurers by implementing sound business practices to maintain solvency and honor all policyholder obligations.

Materials pertaining to the negotiated rulemaking, including any available preliminary rule drafts, can be found on the Idaho Department of Insurance web site at the following web address: [www.doi.idaho.gov](http://www.doi.idaho.gov).

Anyone may submit written comments regarding this negotiated rulemaking. All written comments must be directed to the above contact and must be delivered on or before July 27, 2018.

DATED this 8th day of June, 2018.
