BOISE, ID (September 16, 2022) – The Idaho Department of Insurance is pleased to share exciting new enhancements to [Townhall.Idaho.Gov](https://townhall.idaho.gov), the state of Idaho’s new public meeting website.

Users can now subscribe to receive up-to-date notifications for all public meetings related to the Idaho Department of Insurance, as well as almost 200 other State of Idaho agencies, board, and commissions.

Other enhancements include the ability to utilize a keyword search, copy meetings to your calendar, and utilize a text reader to find valuable information in meeting documents with ease.

“We applaud Governor Little’s vision to improve transparency and access to Idaho’s government at work,” said Dean Cameron, Director of the Idaho Department of Insurance. “We hope Idahoans, and especially our friends in the insurance industry, will take advantage of the new features to understand and engage in our agency’s actions.”

[Townhall.Idaho.Gov](https://townhall.idaho.gov) helps achieve the Governor Brad Little’s goal of making it easier for the public to understand and engage in their government by offering an online one-stop-shop for accessing public meeting information for state executive agencies.
