If you are attending the IAAI 2021 Conference, here are a few tips on how to get to the correct building at the State of Idaho Chinden Campus. The meeting is being held in the Conference Center which is in Building 6. All of the buildings have big numbers on them. The easiest way to get to building is either coming from Cloverdale or Five Mile, below is a map showing the routes to get to Building 6. I have also written out driving instructions below. The address of the conference center is 11351 W Chinden Blvd Boise Idaho 83714 – Building 6. You will know you have reached the conference center when you see a building that looks like the below picture.

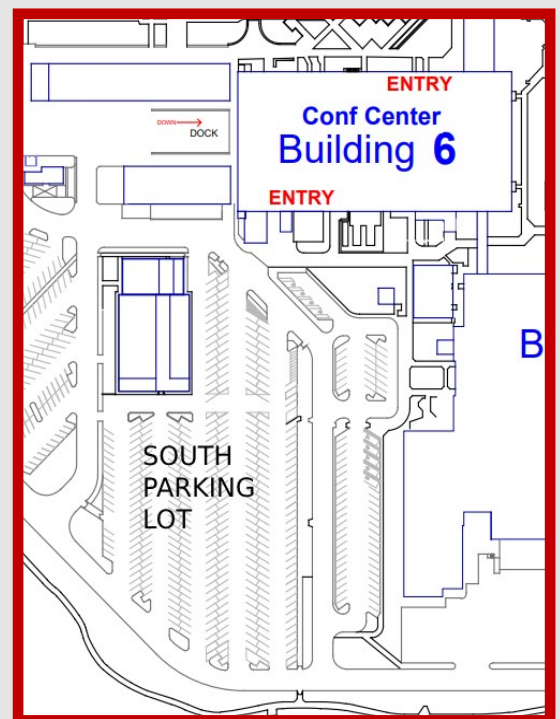

We will be parking in the South Parking lot. You can see parking instructions at this link: <https://ccs.idaho.gov/conf-center/parking/>. Inside there will be signs directing you to the conference room.

If you are coming from Cloverdale:

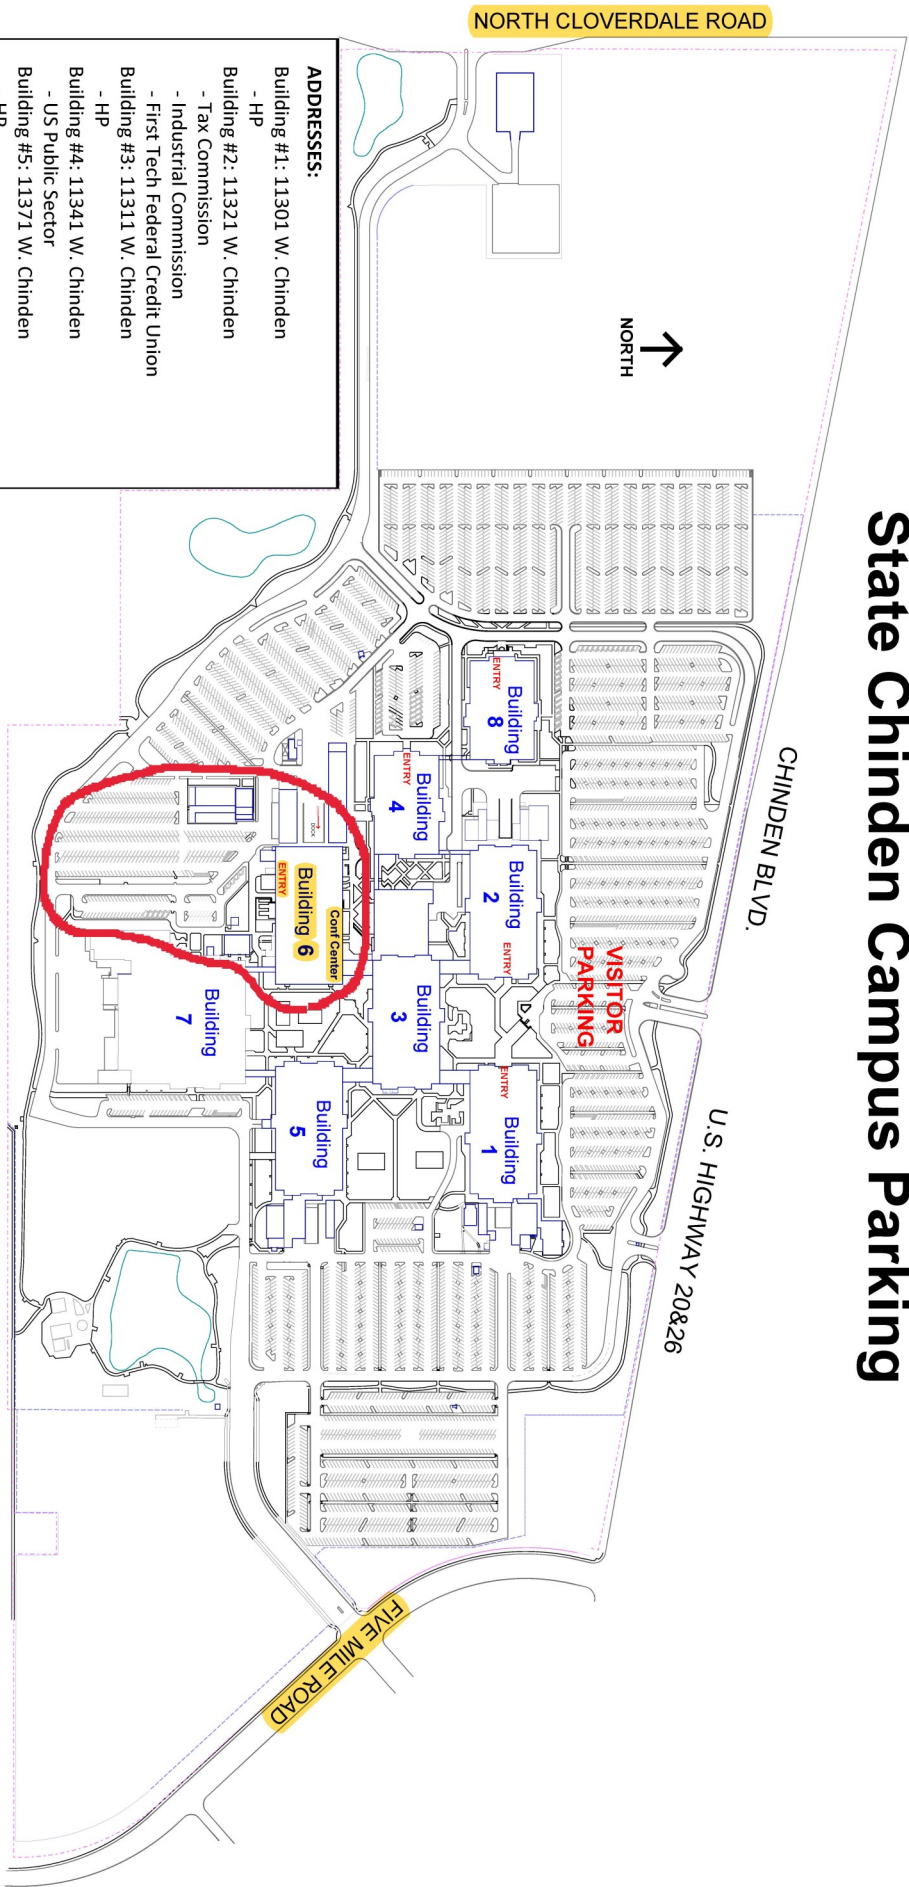

- If you are heading south on Cloverdale, turn left onto W. Explorer Dr.
- If you are heading north on Cloverdale, turn right onto W. Explorer Dr.
- Continue on W. Explorer Dr. This will eventually turn into W. Evans St.
- W. Evans St. will take you to building 6. Refer to the map for the south parking lot, building 6 will be on your left.

If you are coming from Five Mile:

- This street will be the street right before the Five Mile and Chinden intersection.
