Summary of Legislative Changes Enacted in 2007 Impacting the Department of Insurance or the Insurance Industry

Department of Insurance Legislation

The following insurance-related bills were enacted into law and took effect July 1, 2007, unless otherwise noted. Bill numbers in **bold** are legislative changes proposed by the Department of Insurance.

House Bill 088: Amends Idaho Code § 41-5403 to add a risk-based capital trend test for property & casualty insurers.

House Bill 089: Amends Idaho Code § 41-1036 to delete an exemption from record-keeping requirements for life and disability producers, and to allow producer records of transactions to be maintained off-site and in electronic form as long as they can be made available upon reasonable notice.

House Bill 090: Amends Idaho Code § 41-1427 to increase the minimum period for examinations of rating organizations from three years to five years.

House Bill 091: Amends Idaho Code § 41-509 to remove an obsolete reference to “limits of risk.”

House Bill 092: Amends Idaho Code § 41-249 to permit the DOI to share information with international regulatory and law enforcement agencies.

House Bill 096: Amends Idaho Code § 41-2801 to make Chapter 28 “any willing provider” and “most favored nation” contracting restrictions applicable to both foreign and domestic insurers.

House Bill 097: Amends Idaho Code § 41-230 to make the grant of immunity from criminal prosecution for compelled testimony regarding insurance matters consistent with the grant of immunity provided by other immunity statutes contained in Idaho’s criminal code.

House Bill 098: Amends Idaho Code §§ 41-292 and 41-293 to clarify and add to definitions of activities that constitute insurance fraud.

House Bill 099: Amends Idaho Code §§ 41-4909 and 41-4914 to increase the unencumbered balance in the Petroleum Clean Water Trust Fund required to trigger imposition and suspension of transfer fees, and to provide for the Fund’s board of trustees to direct the State Treasurer regarding investments of Fund assets.

House Bill 111: Amends Idaho Code § 41-1302 to expressly prohibit the use of dishonest or predatory insurance sales practices targeting members of the military. This provision is intended to allow Idaho to meet federal requirements for rules relating to insurance sales to military personnel.

House Bill 190: Amends Idaho Code § 41-402 to exempt dental insurance from the state premium tax and to impose a new tax on dental insurance at the rate of 4 cents per contract per month. (Note: Because the effective date of this law is July 1, for 2007 dental insurance will be subject to the normal premium tax for the period January 1 to July 1, and will be taxed at the rate of 4 cents per contract, per month after July 1, 2007.)

Senate Bill 1030: Amends Idaho Code § 9-340D of the Public Records Act to exempt from disclosure as public records certain types of records required to be filed with a surplus lines association.

Senate Bill 1105: Amends Idaho Code §§ 41-2103, 41-4703, 41-5501 and 63-3022K to increase the minimum age for unmarried dependents from 19 to 21, and from age 23 to 25 for a full time student financially dependent upon the parent. These changes affect individual and small group policies, but not large group policies. (Note: The Department has issued Bulletin 07-6 explaining how carriers should implement this change beginning July 1.)

Senate Bill 1126: Amends Idaho Code §§ 49-1212 and 49-2417 to prohibit auto policies from providing for reduced levels of coverage for members of an insured's family or household, or other authorized user except as provided in section 41-2510, and to make the limit of liability for a vehicle owner due to imputed negligence the greater of the amount required by the proof of financial responsibility law or the limits of the vehicle owner's policy.

Senate Bill 1161: Amends Idaho Code §§ 19-2927, 19-2928 and 19-2929 to increase time periods relating to exoneration and forfeiture of bail from 90 days to 180 days.

Senate Bill 1170: Amends Idaho Code §§ 56-1302, 56-1303 and 56-1306 of the Idaho Long Term Care Partnership Program to remove language that required exhaustion of policy benefits in order to qualify for the Program and to require that insurers marketing qualifying long term care policies provide a notice explaining the benefits associated with a partnership policy.

Consumer Services

The Consumer Services Bureau consists of three sections: Consumer Affairs, Senior Health Insurance Benefits Advisors (SHIBA), and Producer Licensing. The sections work together to protect the public's interest and to make sure all participants (companies, producers and consumers) are in compliance with the laws and rules that regulate the insurance business in Idaho.

Consumer Affairs

The Consumer Affairs Section is generally the department's primary contact with the public. The section assists Idaho residents in a number of ways including analyzing consumer, company and producer complaints and problems relating to all facets of the insurance industry to determine if a violation of Idaho Code or contract provisions has occurred; providing assistance to consumers, companies, producers and legal representatives in the form of technical assistance on claims procedures, underwriting, insurance laws and rules; reviewing insurance contracts, policies and related documents to assure compliance with Idaho insurance laws and rules; conducting investigations concerning alleged violations of insurance laws and evaluating the merit of the complaint/inquiry and recommending a course of action to department staff; and providing technical expertise for the market conduct examination of domestic and foreign insurers by providing market conduct support in the field as well as from the department offices.

Consumers can contact a Consumer Affairs Officer by telephone, toll-free Consumer Assistance Helpline, mail, fax, the internet or by visiting any one of the department's offices around the state in Boise, Coeur d'Alene and Pocatello as listed on page 1.

Highlights for Year 2007

◆ Written complaints received from consumers	858
◆ Written complaints closed	926
◆ Walk-in inquiries from consumers	195
◆ Telephone inquiries from consumers	8,030
◆ Funds recovered for the public	\$2,216,352

Producer Licensing

The Producer Licensing Section processes and reviews license applications, examines qualifications of applicants and issues and renews licenses for over 60,000 producers, both residents and non-residents.

The department has continued to seek out new administrative efficiencies by utilizing electronic capabilities available to us. In 2002, the Licensing Section began receiving producer license renewals online and the department is presently processing 95% of all renewals electronically. Electronic processing completely eliminates any hands-on labor for the department as well as giving the producers immediate license renewal online.

Approximately 95% of all appointments are now processed electronically. This has taken one of the more labor-intensive tasks and reduced it to almost zero. Eventually, all appointments will be processed by electronic means.

The department anticipates the number of new licensees will continue to rise. As more applicants and licensees take advantage of electronic processes we will be able to maintain our current level of efficient and effective service. As of December 2007, the department has over 60,000 licensed insurance producers.

The department began accepting online electronic applications through the National Insurance Producers Registry (NIPR) in 2005, and in 2006 over 60% of all applications were processed electronically. In 2008 the department will begin to receive resident applications, and this will raise the total electronic applications to 75% or more.

Initiatives in the coming year include installation of a new licensing data collection system and plans are being made to go paperless in the near future. Both initiatives should improve our ability to process licenses efficiently and issue them within a one-day turnaround. Our ability to extract statistical information from the system should be enhanced tremendously.

Continuing Education

The Continuing Education (CE) Rule IDAPA 18.01.53, modified January 1, 2004, requires resident insurance producers to obtain 24 credit hours of continuing education within each 2-year licensing period. At least 3 of the 24 hours must be insurance law and/or ethics.

Appointed members of the CE Advisory Committee meet monthly to review course applications from associations, schools and vendors. This review process helps to ensure quality courses are available to Idaho producers. An increasing number of applications are received each month on NAIC reciprocity forms. These courses have been approved in the vendor's home state and must be accepted in Idaho without further review.

Resident producers carrying life, health, property or casualty lines are required to comply with the CE rule. Nonresident producers, limited lines producers and independent adjusters are exempt.

Highlights for Year 2007

◆ License applications received	15,768
◆ Licenses issued	15,636
◆ Total licensees at year end	68,521
◆ CE applications approved	2,096

SHIBA Program **(Senior Health Insurance Benefits Advisors)**

The Senior Health Insurance Benefits Advisors (SHIBA) Program provides free information, counseling and assistance program for Medicare beneficiaries who have questions or problems about health insurance issues such as Medicare, Medicare supplement insurance, Medicare health plans and long-term care insurance.

The SHIBA staff, advocates and volunteer counselors focus on educating Medicare beneficiaries and senior service providers about rights and protections for people with Medicare, Medicare program updates, coordination of benefits, understanding Medigap, Medicare health plan options and long-term care issues. SHIBA assisted thousands of Medicare beneficiaries through statewide presentations and disseminated information at senior centers and to service providers and various community groups, attendance at conferences and health fairs and one-on-one counseling sessions.

Emerging issues impacting Medicare consumers include the new private fee-for-service plans, how to choose a prescription drug plan and ongoing changes to the Medicare program. SHIBA staff continues to reach out to people with Medicare and their caregivers on these important healthcare issues.

Investigation and Insurance Fraud

The mission of the Investigations Section is two-fold: first, to protect Idaho's insurance consumers from dishonest individuals conducting the business of insurance and, second, to investigate allegations of individuals filing fraudulent insurance claims against insurance companies.

Whatever its form, insurance fraud is a crime that impacts everyone by increasing the cost of insurance premiums and related goods and services. When allowed to go unchecked, it has been demonstrated that insurance fraud has had a severe negative effect on the economy as a whole.

The unit conducts criminal and administrative investigations throughout the state and in doing so works closely with the public, the insurance industry and law enforcement. The Investigations Section not only investigates and refers cases for criminal and administrative legal action, but also serves as an education resource to the insurance industry and law enforcement in preventing and recognizing insurance fraud. The public has also been educated on the dangers of insurance fraud through media presentations and the distribution of brochures and pamphlets.

The Investigations Section is dedicated to detecting, preventing, neutralizing and eliminating insurance fraud and ensuring the state of Idaho protects all those affected by these costly white collar crimes.

State Fire Marshal

The staff of the State Fire Marshal's Office works with fire departments across the state. They provide assistance with fire code interpretation, application and enforcement. They are also responsible for reviewing plans for all state-owned or maintained buildings for compliance with fire and life safety codes. If requested by local fire departments, the staff can also assist with local building plan reviews and inspections. The staff conducts training sessions on the adopted fire code, incident reporting procedures and fire investigations.

The State Fire Marshal has the statutory responsibility of being the chief arson investigation officer for the state of Idaho. He and his six deputies work with local authorities when requested on the investigation of fires and explosions in Idaho.

The State Fire Marshal's Office also licenses the fire sprinkler contractors who work in Idaho, trains and certifies state fire inspectors and licenses persons and businesses that import or wholesale fireworks in Idaho. The office also maintains a recordkeeping system that includes data submitted from fire agencies that cover approximately 95% of the population of Idaho. They are committed to FIGHTING FIRE WITH FACTS.

Mission Statement

The State Fire Marshal's Office participates in and coordinates an integrated statewide system designed to protect human life from fire and explosions through fire prevention and the investigation of fires. The program involves fire prevention activities, fire/arson and investigations and the operation of various statistical systems, including the Idaho Fire Incident Reporting System (IFIRS).

◆ Total fires reported in Idaho	8,389
◆ Number of residential fires	1,251
◆ Total estimated dollar loss reported	\$63 million
◆ Civilian fatalities reported	15

Company Activities

The Company Activities Bureau consists of four sections: Examinations, Premium Tax, Rates and Forms and Market Analysis. Although each section has a separate function, all work in close association on some issues.

Examinations

The Examinations Section monitors the financial condition of all insurance entities conducting business in the state of Idaho to assure that each complies with Idaho law and that the financial obligations of the company to its policyholders will be met. Regulated insurance entities include domestic and foreign stock and mutual insurers, fraternal benefit societies, managed care organizations (MCOs), self-funded health-care plans, risk retention and purchasing groups, and rating organizations. Additionally, the Examinations Section includes a Senior Financial Examiner who regulates the title industry in Idaho.

Major functions of this section include:

- Initial licensing or authorization of insurers to transact business in the state via the granting of a certificate of authority. The admission process is completed in an effective and timely manner in order to admit financially sound insurers and other related entities that will offer quality insurance products and services to Idaho residents.
- Financial analysis and review of company financial reports to determine the company's compliance with all Idaho Code requirements, financial solvency and ability to meet its contractual obligations to policyholders. This area reviews annual statements, quarterly statements, audited financial statements and other filings made by an insurer. The section focuses primarily on the solvency of Idaho domestic insurers but also monitors foreign companies licensed in Idaho and performs reviews of foreign companies on an as-needed basis.
- Examination of the financial and market conduct condition of Idaho domestic insurers to ensure that they are operating in accordance with Idaho insurance laws and rules and the Statutory Accounting Practices and Procedures Manual. Examinations are prescribed by law to be conducted at least every five years but may be undertaken more frequently if the director deems necessary.
- Regulation of all aspects of title agencies operating in Idaho. This includes title agent licensing, contract examiner oversight, routine examinations of title agent operations and title plants, review of three-year escrow audits, handling consumer and industry complaints, enforcing compliance with Idaho Code and IDAPA rules, reviewing escrow rate filings and reviewing insurer title insurance rates and forms as required.

Market Analysis

Market Analysis is part of the National Association of Insurance Commissioner's (NAIC) Insurance Regulatory Modernization Action Plan. The purpose of the Market Analysis program is to prioritize and coordinate the various market regulation functions of the department, establish an integrated system of proportional response to market problems and to provide a framework of collaboration among the states regarding identification of market conduct issues and market regulation.

Section duties:

Develop a formal market analysis program that analyzes companies based upon general market problems and companies that may be operating outside general industry norms; in other words identify "outliers."

The formal program includes (but is not limited to) establishment of a systematic procedure for interdepartmental communication, analysis of consumer complaint data and coordinated schedule of baseline analysis including financial data.

Oversee and coordinate the Market Conduct Annual Statement (MCAS) project. The goal of this project is to provide a uniform system of collecting market related information. MCAS promotes uniform analysis by applying consistent measurements and comparisons among companies allowing equal measurement across all companies.

Facilitate Interstate Collaboration with implementation of uniform standards similar to existing financial standards with the goal of creating a regulatory system in which all states will have the confidence to rely on each other's regulatory efforts. This reliance will create a market regulatory system of greater domestic deference, thus allowing individual states to concentrate their efforts on issues of their choosing.

Follow up on completed Market Conduct examination recommendations and identify areas not in compliance with Idaho insurance code. Make recommendations and referrals for possible administrative actions and assist in drafting legislation and rules. Conduct or participate in Market Conduct examinations at the direction of the Examination section.

Premium Tax

Premium taxes are collected by the State of Idaho, Department of Insurance and deposited in the Insurance Administrative Fund #0229-10 to be distributed as follows:

- That amount as needed up to 20% for the refund account;
- A portion to the PERSI firemen's retirement account (Idaho Code 59-1394);
- That portion (not to exceed \$200,000 in any one year) necessary to cover administrative costs incurred by the department in placing insurance companies into receivership or supervision to the extent that such costs cannot be satisfied from the assets of the companies;
- Twenty-five percent of the premium tax exceeding \$45,000,000 to the Idaho High Risk Individual Reinsurance Pool;
- Twenty-five percent of the premium tax exceeding \$55,000,000 to the Idaho Health Insurance Access Card Fund CHIP Plan B;
- Remaining balance to the general fund (Idaho Code, Section 41-406).

Premium taxes collected from authorized insurers are in lieu of all other state and local taxes payable in the State of Idaho with the exception of real property tax (Idaho Code, Section 41-405).

Premium tax offsets are allowed to the extent of 100% of the premium tax liability, unless otherwise indicated:

- **Worker's Compensation Offset** - All worker's compensation insurers must pay a 2.5% premium tax on all business written to the Idaho Industrial Commission (Idaho Code Section 72-523). Insurers are allowed to offset 1.3% of this tax against the tax liability attributed to its worker's compensation line of business to the Department of Insurance. The offset cannot be allowed against any other lines of insurance (Idaho Code Section 72-523).
- **Insurance Guaranty Association Offset** - Property and casualty insurers may offset their premium tax liability to the extent of 20% of the assessment for each of the five years following the year the assessment is paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid (Idaho Code Section 41-3616).
- **Idaho Life & Health Guaranty Association Offset** - A premium tax offset is allowed for all Class B and Class C assessments. Insurers may take any portion of the assessment as an offset in any of the five years following the year the assessment is paid. Offsets are limited to 20% of each assessment paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid (Idaho Code Section 41-4314(1)).

The annual premium tax liability is based on calendar year premiums written minus dental premiums which are taxed at .04 per subscriber per month, effective July 1, 2007. Premium taxes are prepaid in quarterly installments based on prior year's premiums and current year's tax rates. The installments are as follows: 60% due June 15, 20% due September 15, and 15% due December 15. The reconciliation payment is made on March 1 of the next year (Idaho Code, Section 41-402(3)).

Rates and Forms

The Rates and Forms Section accepts property, casualty, health and life policies with contracts and related forms with the company certification ensuring they are in compliance with Idaho Code and law and are not ambiguous, misleading or deceptive. The section accepts advertising filings for life and health and rate filings for various lines of insurance which include private passenger automobile, homeowners, farm owners, mobile homeowners, personal inland marine, auto, boiler and machinery, burglary and theft, commercial fire and allied lines, fidelity, surety, bond, financial guaranty, personal liability, personal umbrella liability and commercial liability and life and health. The key importance is assuring that rates are not inadequate, excessive or unfairly discriminatory.

This section is primarily responsible for administering rate and form laws on a file-and-use basis. Idaho Code 41-1812 states that "No basic insurance policy or annuity contract form, or application form where written application is required and is to be made part of the policy or contract, or printed rider or endorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with the director." Although all major lines of insurance are monitored, the section is alert to filings involving private passenger automobile rate changes, bail bonds, certificates of assumption, company mergers, credit life and disability, crop hail rates, consumer credit reporting, health products, long-term care, managed care organizations, Medicare supplements, title, worker's compensation and riders involving war or military action. Unless the forms are submitted and filed with the Rates and Forms Section, these may not be issued to residents of Idaho. The Department receives policy and rate filings from over 1,500 companies licensed to sell products in Idaho. The Department received 5,283 separate filings in 2007 via SERFF (System for Electronic Rate and Form Filing).
