September 18, 2020

Honorable Brad Little  
Governor, State of Idaho  
Statehouse  
Boise, ID 83720

Dear Governor Little:

As Director of the Department of Insurance, I am pleased to submit the Annual Report for the calendar year 2019, as required by Section 41-216, Idaho Code. The statistics in this report are compiled from December 31, 2019, annual statements, which are filed with the Department by insurance companies licensed in Idaho.

The Department of Insurance has a long tradition of fair and consistent enforcement of the insurance laws of Idaho. The responsibility of regulating the insurance marketplace in Idaho is challenging given the competitive environment for companies doing business in the state, while being mindful of the Department's primary goal of protecting Idaho's consumers.

I wish to commend and thank the Department's knowledgeable, dedicated, and professional staff. The good work they do is accomplished in many forms each day and provides superior service for the citizens of Idaho.

Thank you for your continued support of our Department.

Respectfully submitted,

Dean L. Cameron  
Director

## ***Summary of Legislative Changes Enacted in 2019 Impacting the Department of Insurance or the Insurance Industry***

The following insurance-related bills were enacted and took effect July 1, 2019, unless otherwise noted.

### **Department of Insurance Legislation**

**House Bill 027** - Many insurer premium tax returns are corrected or audited related to cents. This proposal to amend I.C. § 41-402 to allow the payment and reporting of premium tax returns to be rounded to the nearest whole dollar would conform with Idaho Tax Commission and other reporting methods.

**House Bill 071** - This legislation updates Idaho's insurance holding company law to the latest version of the NAIC model law 414 to authorize the Director of the Idaho Department of Insurance (DOI) to serve in the capacity as a group-wide supervisor for an internationally active insurance group. Our law (I.C. § 41-3815) already allows for the Director to participate in a supervisory college - just not to lead it as a group-wide supervisor.

### **Other Insurance-Related Legislation**

**House Bill 275** – This legislation amends sections of title 41, Idaho Code, and adds a new section to define and provide for the purchase of enhanced short-term health insurance plans. On August 3, 2018, the U.S. Departments of the Treasury, Labor and Health and Human Services issued new rules to amend the definition of short-term, limited-duration insurance to lengthen the maximum duration of short-term health insurance. This legislation defines enhanced short-term health insurance and brings Idaho into compliance with new federal rules that went into effect on October 2, 2018. Enhanced short-term plans will have an initial period of less than twelve (12) months and allows an individual to renew the policy for up to the number of months established by the DOI. This legislation established a new section of code to allow the director of the DOI to adopt rules and standards for enhanced short-term health insurance plans.

**Senate Bill 1069** – This legislation revises provisions regarding contracts with providers of dental services. It clarifies current language that a dental plan contracting with a dentist cannot set the rate for a procedure that is not covered by that contract. This bill further defines that covered services are services that a dental plan contracting with a dentist is liable for paying either in part or in whole. The bill provides for discussion and notice between a dentist and patient when the patient's services become non-covered services due to the patient exceeding their capped benefit by 100 percent. The bill will apply to any dental plan or contract which is issued after December 31, 2019.

## ***DOI's Support of Governor Little's Red Tape Reduction Act***

**DOI rules restructuring, numbering and rewording was intended to make DOI regulations easier to find, easier to read, easier to understand and, therefore, easier to follow.**

- A. DOI eliminated 35% of its total word count, reducing the total count from 242,736 words to 156,546 words for a net decrease of 86,190 words.
- B. DOI eliminated 99.83% of its restrictive words, totaling 3,489 words. Restrictive words include "shall", "must", "may not", "prohibited, and "required". The number one restricted word "shall" was used 2,506 times. The DOI kept only six (6) restrictive words because they were quotes from statute.
- C. DOI eliminated 40% of its pages, reducing the page count from 536 pages to 321 pages for a net decrease of 215 pages.
- D. The Idaho Department of Insurance eliminated 33% of its chapters, reducing the total chapter count from 65 chapters to 44 chapters, reduced by 22 chapters with 1 chapter added (Enhanced Short-term Plans) for a net decrease of 21 chapters.

## ***Idaho Immunization Assessment Board***

The Idaho Immunization Assessment funds the Idaho Department of Health and Welfare's Immunization Program and provides vaccines for insured children in Idaho. The program was extended by the Idaho Legislature in 2018 and is scheduled to sunset on July 1, 2024.

Under this program, the Idaho Department of Health and Welfare is able to purchase vaccines for insured children at significant discounts. In addition, the program facilitates immunization of children by enabling physicians and other health care professionals in Idaho to obtain most or all of their childhood vaccine supply from the Idaho Department of Health and Welfare as a single source.

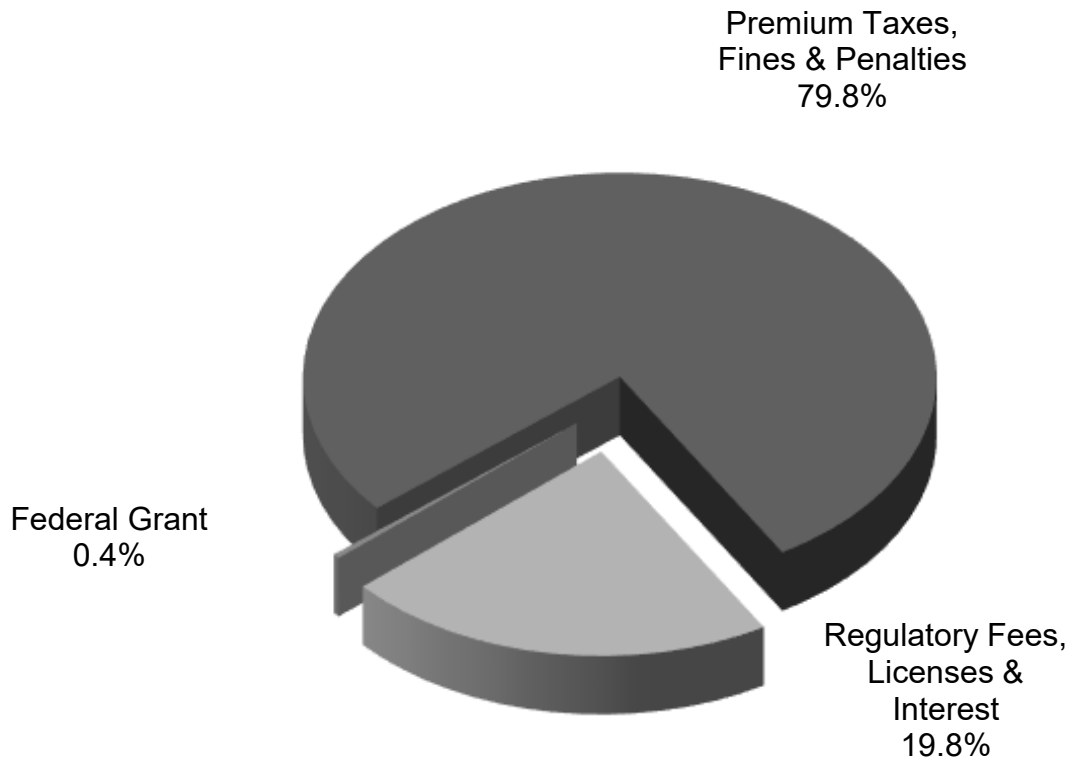

The legislation also created the independent Idaho Immunization Assessment Board to assess mandatory fees from all carriers covering children in Idaho to fund this program. Under the Board's Plan of Operation, carriers report to the Idaho Department of Insurance the numbers of program-eligible children covered as of January 31 of each year, on or before March 15 of that year. The annual assessment fee notice is sent to all carriers no later than April 15 with a due date of June 15. If the billing is greater than \$50,000, the carrier may request a quarterly installment plan.

The 2019 assessment per program-eligible child was \$50.00.

# ***State Fire Marshal***

The State Fire Marshal's Office works with fire departments across Idaho, providing assistance with fire code interpretation, application, and enforcement. Staff conducts training sessions on the adopted fire code, incident reporting procedures, and fire investigations. The State Fire Marshal's Office is also responsible for reviewing plans for all state-owned or state-maintained buildings for compliance with fire and life safety codes. If requested by local fire departments, the State Fire Marshal can assist with local building plan reviews and inspections.

The State Fire Marshal has the statutory responsibility of being the chief arson investigation officer for the state of Idaho. When requested, he and his six deputies work with local authorities on the investigation of fires and explosions in Idaho.

Additionally, the State Fire Marshal's Office licenses the fire sprinkler contractors who work in Idaho; trains and licenses persons and businesses that import or wholesale fireworks in the state. The office also maintains a recordkeeping system including data submitted from fire agencies that cover approximately 95% of the population of Idaho. They are committed to "*fighting fire with facts.*"

## ***Mission Statement***

*The State Fire Marshal's Office participates in and coordinates an integrated statewide system designed to protect human life from fire and explosions through fire prevention and the investigation of fires. The program involves fire prevention activities, fire/arson investigations and the operation of various statistical systems, including the Idaho Fire Incident Reporting System (IFIRS).*

## **Highlights for Year 2019**

◆ Total fires reported in Idaho	5,061
◆ Number of residential fires	1,768
◆ Total estimated dollar loss reported	\$50,657,066

# ***Consumer Services***

The Consumer Services Bureau consists of three sections: Senior Health Insurance Benefits Advisors (SHIBA), Consumer Affairs, and Investigations. The sections work together to protect the public's interest and ensure all participants (companies, producers, and consumers) are in compliance with the laws and rules that regulate the business of insurance in Idaho.

## ***SHIBA Program (Senior Health Insurance Benefits Advisors)***

Senior Health Insurance Benefits Advisors (SHIBA) is a free, unbiased resource empowering Idahoans, through community volunteers and partners, to make informed decisions about their Medicare choices.

Each year, SHIBA individually counsels thousands of Medicare beneficiaries, by phone or in person, in communities throughout Idaho. SHIBA conducts workshops and provides information to beneficiaries and those who help them. SHIBA has offices in Boise, Coeur d'Alene, and Pocatello. A network of certified volunteers and partners assist people in communities throughout the state.

SHIBA investigates complaints and issues regarding claims/billing, appeals/grievances, fraud and abuse, marketing/sales, quality of care, and non-renewal issues.

SHIBA services the general Medicare population and conducts targeted outreach for populations at risk or under-served due to race, cultural background, ethnicity, limited English proficiency, Medicare Medicaid dual eligibility, beneficiaries under 65 with disabilities, and individuals eligible for low income subsidy prescription drug coverage.

SHIBA promotes awareness of provisions of federal legislation, such as the Patient Protection and Affordable Care Act (ACA); the Medicare Improvement for Patients and Providers Act (MIPPA); and the Medicare Modernization Act of 2003, as they affect Medicare issues. Such issues include prevention and wellness benefits; changes to the Annual Open Enrollment Period (OEP); fraud prevention and awareness initiatives; and Durable, Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS) competitive bidding.

### **Highlights for Year 2019**

## **Consumer Affairs**

The Consumer Affairs Section is a primary contact for members of the public who have questions about insurance matters or who want to file a complaint regarding an insurance matter. The Section assists Idaho residents in a number of ways, including:

- Analyzing consumer, company, and producer complaints and problems relating to all facets of the insurance industry to determine if a violation of Idaho Code or contract provisions has occurred;
- Providing assistance to consumers, companies, producers, and legal representatives in the form of technical assistance on claims procedures, underwriting, insurance laws and rules;
- Reviewing insurance contracts, policies, and related documents to assure compliance with Idaho insurance laws and rules;
- Conducting investigations concerning alleged violations of insurance laws, evaluating the merit of the complaint or inquiry, and recommending a course of action to Department staff; and
- Providing technical expertise for market conduct examinations of domestic and foreign insurers.

The Consumer Affairs Section also provides information and services to consumers via the Department website, including:

- Answers to common insurance questions;
- Basic information regarding insurance products;
- Online complaint filing;
- Summaries of complaint data; and
- Updates regarding national health care reform.

Consumers can contact a Consumer Affairs Officer through the toll-free Consumer Assistance Helpline, by mail, fax, or the Internet, or by calling or visiting the Department's offices in Boise or Pocatello.

## ***Fraud Investigations***

The Investigations Section actively investigates, refers for prosecution, and seeks restitution from those who commit insurance fraud, a felony that can result in a sentence of up to 15 years in prison and a \$15,000 fine. Whatever its form, insurance fraud is a crime that impacts everyone by increasing the cost of insurance premiums and related goods and services. When allowed to go unchecked, insurance fraud has a severe negative effect on the economy as a whole.

The Section's mission is two-fold: first, to protect Idaho insurance consumers from dishonest individuals transacting insurance; second, to pursue allegations of individuals filing fraudulent claims against insurance companies. The Section fulfills its mission through criminal and administrative investigations to determine whether a person has violated any provision of Title 41, Idaho Code.

Two special prosecutors from the Office of the Attorney General review and prosecute criminal insurance cases referred by the Section. Additionally, three Deputy Attorneys General pursue administrative enforcement actions against licensees. The Section also works with the State Fire Marshal's Office on insurance-related arson investigations.

The Investigations Section aims to be recognized as a leader in the fight against insurance fraud by creating partnerships with other criminal justice and law enforcement entities, educating the insurance industry, conducting community presentations and distributing written materials. These activities have significantly increased public awareness.

### **Highlights for Year 2019**

# ***Company Activities***

The Company Activities Bureau consists of three sections: Examinations, Analysis, and Licensing. Although each section has separate functions, all work in close association on some issues.

## ***Examinations & Analysis***

The Examinations and Analysis Sections monitor the financial condition of insurance entities conducting business in the state of Idaho. This helps ensure that each entity complies with Idaho law and that the financial obligations of the entity to its policyholders will be met. Regulated entities include domestic and foreign stock and mutual insurers, fraternal benefit societies, managed care organizations (MCOs), reciprocal insurers, self-funded health care plans, risk retention and purchasing groups, accredited reinsurers, county mutual insurers, hospital and professional service corporations, surplus lines insurers, title insurers, and rating organizations. The Examinations Section also includes a Title Examiner and Insurance Market Specialist who regulates the title industry in Idaho, and an Insurance Analyst Sr. who addresses market issues.

Major functions of the Examinations Section include:

- Examination of the financial and market conduct conditions of Idaho domestic insurers to ensure that they are operating in accordance with Idaho insurance laws and rules and the National Association of Insurance Commissioners (NAIC) Accounting Practices and Procedures Manual. Examinations are prescribed by law to be conducted at least once every five years but may be undertaken more frequently if the Director deems necessary. Examinations of self-funded health benefit plans and other regulated entities are also performed.
- Regulation of all aspects of title agencies operating in Idaho, including title agent licensing, examining title agent operations and title plants, reviewing three-year escrow audits, handling consumer and industry complaints, enforcing compliance with Idaho Code and Department rules, reviewing escrow rate filings, and reviewing insurer title insurance rates and forms as required.
- Initial licensing for third party administrators (TPAs) who want to operate in Idaho. Determination of whether TPAs continue to meet licensing requirements based on annual filings.
- Receiving and recording corporate changes for insurers and other regulated entities (e.g., name changes, mergers, and redomestications).
- Market analysis and other review of insurers operating in Idaho in order to identify areas of non-compliance with the Idaho Insurance Code. This is done by reviewing consumer complaint data, national and state industry trends, conducting baseline analysis (benchmarking insurers against each other), and reviewing market conduct annual statements and other pertinent information, including financial data.
- Leading Idaho's participation in interstate collaborative actions, providing technical expertise, and conducting or participating in market conduct examinations of domestic and foreign insurers.

Major functions of the Analysis Section include:

- Financial analysis and review of Idaho domestic company financial reports to determine compliance with all Idaho Code requirements, financial solvency, and ability to meet contractual obligations to policyholders. This includes review of annual statements, quarterly statements, audited financial statements, and other filings made by an insurer. The focus is primarily on the solvency of Idaho domestic insurers and the monitoring of foreign companies licensed in Idaho.
- Financial analysis and review of financial statements and other filings of Idaho registered self-funded health plans regulated under Title 41, Chapters 40 and 41, Idaho Code, to determine compliance with Idaho Code requirements, financial solvency, and ability to meet obligations to beneficiaries.
- Initial licensing or authorization of insurers or other regulated entities to transact business in the state via the granting of a certificate of authority or registration. The admission process is completed in an efficient and timely manner to admit financially sound insurers and related entities that will offer quality insurance products or related services to Idaho residents. The Section also maintains reinsurance only (accredited reinsurer) and surplus line (white list) listings.
- Monitoring and regulation of Idaho holding company systems of which an insurer is a part, in accordance with Title 41, Chapter 38, Idaho Code, to promote public interest and the interests of Idaho policyholders and shareholders.

## ***Premium Tax***

Premium taxes collected by the Department of Insurance are deposited in the Insurance Administrative Fund #0229-10 to be distributed as follows:

- That amount as needed up to 20% for the refund account (Idaho Code 41-406(1)(a));
- A portion to the PERSI Firemen's Retirement Account (Idaho Code Sections 59-1394 & 41-406(1)(b));
- That amount (not to exceed \$200,000 in any one year) necessary to cover administrative costs incurred by the Department in placing insurance companies into receivership or supervision to the extent that such costs cannot be satisfied from the assets of the companies (Idaho Code Section 41-406(1)(c));
- After all other statutory deductions from insurance premium tax revenues have been made, if the revenues remaining exceed \$45 million, one-fourth of such excess is appropriated and paid to the Idaho Individual High Risk Reinsurance Pool fund (Idaho Code Section 41-406(1)(d)). The moneys in this fund are used to pay the costs associated with providing health insurance coverage to high risk individuals regardless of health status or claims experience;
- Remaining balance to the General Fund (Idaho Code Section 41-406(1)(e)).

Premium taxes collected from authorized insurers are in lieu of all other state and local taxes payable in the state of Idaho with the exception of real property tax (Idaho Code Section 41-405).

The annual premium tax liability is based on calendar year premiums written minus dental premiums, which are taxed at \$0.04 per subscriber per month. Premium taxes are prepaid in quarterly installments based on the prior year's premiums and the current year's tax rates. The installments are as follows: 60% due June 15, 20% due September 15, and 15% due December 15. The reconciliation payment is made on March 1 of the next year (Idaho Code Section 41-402(3)).

Premium tax offsets are allowed to the extent of 100% of the premium tax liability, unless otherwise indicated:

- **Workers' Compensation Offset** – All workers' compensation insurers must pay a 2.00% premium tax on Idaho premiums written to the Idaho Industrial Commission. Insurers are allowed to offset 50% of this tax against the workers' compensation tax liability with the Department of Insurance. The premium taxes paid to the Industrial Commission at the 2.00% rate should not be confused with the additional Department of Insurance 1.50% premium tax rate. The tax credit can only offset the workers' compensation premium tax liability and cannot be allowed against any other lines of insurance (Idaho Code Section 72-523(4)).
- **Insurance Guaranty Association Offset** – Property and casualty insurers may offset their premium tax liability to the extent of 20% of the assessment for each of the five years following the year the assessment is paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid. (Idaho Code Section 41-3616(1)).
- **Idaho Life & Health Guaranty Association Offset** – A premium tax offset is allowed for all Class B and Class C assessments. Insurers may take any portion of the assessment as an offset in any of the five years following the year the assessment is paid. Offsets are limited to 20% of each assessment paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid (Idaho Code Section 41-4313(1)).

## ***Producer Licensing***

The Producer Licensing Section reviews and processes license applications and issues and maintains over 133,000 licenses, including resident and non-resident business entities and individuals. The Section oversees 13 license types and their related procedures, statutes, and rules. Section goals remain efficiency, security, and service.

Producer Licensing continues to seek out administrative efficiencies by utilizing online services through approved vendors. Services include license application renewals, appointments, address changes, license copies, continuing education courses, and CE credit downloads. Applicants and licensees utilize online services for 90-95% of all licensing transactions. This factor allows the turnaround time for non-resident licensing to remain 1-2 days. The FBI fingerprinting process is completely digitized, providing greater security and quicker response times for resident applicants.

Producer Licensing website information is regularly updated to provide the most current information and services available. The Section maintains efficient and secure licensing environment by utilizing document imaging for license records and email correspondence for DOI communications to licensees.

## ***Continuing Education***

The Continuing Education (CE) Rule, IDAPA 18.06.04, requires resident insurance licensees to complete 24 credit hours of continuing education within each two-year licensing period, which expires at the end of the individual's birth month. At least three of the 24 hours must be obtained in insurance ethics courses. Mandated training has been adopted by the Department for annuity suitability, flood, and long-term care policy sales. Non-resident and limited lines producers are exempt from CE requirements for Idaho.

Appointed members of the CE Advisory Committee meet monthly to review provider course applications to ensure quality courses are available to Idaho producers. CE rules are also in place to maintain high standards for CE courses. Presentation methods are available to licensees in a variety of formats including correspondence, internet, seminar, teleconference, traditional classroom, and webcast/webinar.

### **Highlights for Year 2019**

◆ License applications received	28,125
◆ Licenses issued	24,918
◆ Total licenses as of 1/1/2020	131,134
◆ Total licenses renewed	34,531

# ***Product Review***

The Product Review Bureau consists of one section: Rates and Forms.

## ***Rates and Forms***

The Rates and Forms Section accepts property, casualty, health and life policy contracts and related forms with the company certification stating they comply with Idaho Code and are not ambiguous, misleading or deceptive. The Section accepts advertising filings for life and health and reviews rate filings for various lines of insurance including individual and small group health rate manuals, Medicare supplement, long-term care, private passenger automobile, homeowners and credit. The objective is to ensure that rates are not inadequate, excessive or unfairly discriminatory.

This Section is primarily responsible for administering rate and form laws on a file-and-use basis. Idaho Code Section 41-1812 states: "No basic insurance policy or annuity contract form, or application form where written application is required and is to be made a part of the policy or contract, or printed rider or endorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with the director." Although all major lines of insurance are monitored, the Section is to alert filings involving private passenger automobile rate changes, bail bonds, certificates of assumption, company mergers, credit life and disability, life settlement, consumer credit reporting, health products, long-term care, managed care organizations, Medicare supplements, title and workers' compensation. Unless the forms are submitted and filed with the Rates and Forms Section, they may not be issued to residents of Idaho.

The Department receives policy and rate filings from 2,202 companies licensed or registered to sell products in Idaho. The Department received 5,070 separate filings in 2019 via SERFF (System for Electronic Rate and Form Filing), resulting in the following total number of forms and rates for all filings submitted in 2019, as shown in the following chart.
