DEAN L. CAMERON
Director

December 13, 2021

Honorable Brad Little
Governor, State of Idaho
Statehouse
Boise, ID 83720

Dear Governor Little:

As Director of the Department of Insurance, I am pleased to submit the Annual Report for the calendar year 2020 as required by Section 41-216, Idaho Code. The statistics in this report are compiled from December 31, 2020 annual statements, which are filed with the Department by insurance companies licensed in Idaho.

This year has been a challenging one during the COVID pandemic. While goals and focus had to be adjusted, we were able to work with the industry to protect Idaho consumers.

The Department of Insurance has a long tradition of fair and consistent enforcement of the insurance laws of Idaho. The responsibility of regulating the insurance marketplace is important to Idaho's economy, but also to consumers who must have confidence in the products and insurance companies that receive their payments. Our goal is to protect Idaho's consumers by efficiently and effectively following the Idaho Insurance Code, by adequately monitoring our companies, by ensuring the contractual language is compliant, by making sure companies keep their promises, and by making sure agents operate within the law.

I am grateful for the Department's knowledgeable, dedicated, and professional staff. The good work they do is accomplished in many forms each day and provides superior service for the citizens of Idaho.

Thank you for your continued support of our Department.

Respectfully submitted,

Dean L. Cameron
Director

Other Insurance-Related Legislation

House Bill 386 – **Amending** Idaho Code § 41-349, Pharmacy Benefit Managers. This legislation added to existing law to provide certain registration and reporting requirements, to prohibit certain actions, to provide certain requirements for maximum allowable cost pricing, and to prohibit the retroactive denial or reduction of a claim in certain instances.

House Bill 526 - **Amending** Idaho Code §§ [41-1941](#), [41-1942](#), and [41-1943](#) This legislation only applied to the sections regarding indexed annuities. It asks the agent to maintain disclosure records for a time certain and asks insurance companies to surrender charges over a 10-year period. The director is charged with creating the disclosure form.

<u>Rule No.</u>	<u>Name</u>

Omnibus Rulemaking for IDAPA 18 Rules for the DOI

The Department initiated rulemaking to adopt and re-publish existing and previously approved and codified chapters under IDAPA 18, rules of the Idaho Department of Insurance. Temporary rules effective June 30, 2019, were adopted as pending and published in the November 20, 2019, Special Edition of the Idaho Administrative Bulletin. Those rules were restructured, renumbered and reworded to make DOI regulations easier to find, easier to read, easier to understand and, therefore, easier to follow. The omnibus pending rules were reviewed and approved by the legislature and effective March 20, 2020.

DOI RECEIVES GOVERNOR'S AWARD FOR RULES REDUCTION

“

*It's simple math—
less regulation
and fewer taxes
equal more
opportunity.*

Governor Brad Little

On July 26, 2021, the Idaho Department of Insurance (DOI) was honored by Governor Little at his Rules Reduction Awards Ceremony, in recognition of the agency's efforts to streamline its rules in accordance with Little's Zero-Based Regulation order.

Little's trailblazing methods have made Idaho a trendsetter in insurance regulation, with other states reaching out to the DOI for help following in their footsteps.

Following Governor Little's Red Tape Reduction Act in 2019, the DOI drastically updated its rules, eliminating 35 percent of its total word count, 40 percent of its pages, 33 percent of its chapters, and 99.83 percent of its restrictive words, helping to make Idaho the least regulated state in the United States. After finalizing their rules this year, the DOI's rules are expected to be reduced by another 20,455 words and 39 pages, for a total reduction of 106,645 words, 360 pages, and 25 chapters.

Idaho Immunization Assessment Board

The Idaho Immunization Assessment funds the Idaho Department of Health and Welfare's Immunization Program and provides vaccines for insured children in Idaho. The program was extended by the Idaho Legislature in 2018 and is scheduled to sunset on July 1, 2024.

Under this program, the Idaho Department of Health and Welfare is able to purchase vaccines for insured children at significant discounts. In addition, the program facilitates immunization of children by enabling physicians and other health care professionals in Idaho to obtain most or all of their childhood vaccine supply from the Idaho Department of Health and Welfare as a single source.

The legislation also created the independent Idaho Immunization Assessment Board to assess mandatory fees from all carriers covering children in Idaho to fund this program. Under the Board's Plan of Operation, carriers report to the Idaho Department of Insurance the numbers of program-eligible children covered as of January 31 of each year, on or before March 15 of that year. The annual assessment fee notice is sent to all carriers no later than April 15 with a due date of June 15. If the billing is greater than \$50,000, the carrier may request a quarterly installment plan.

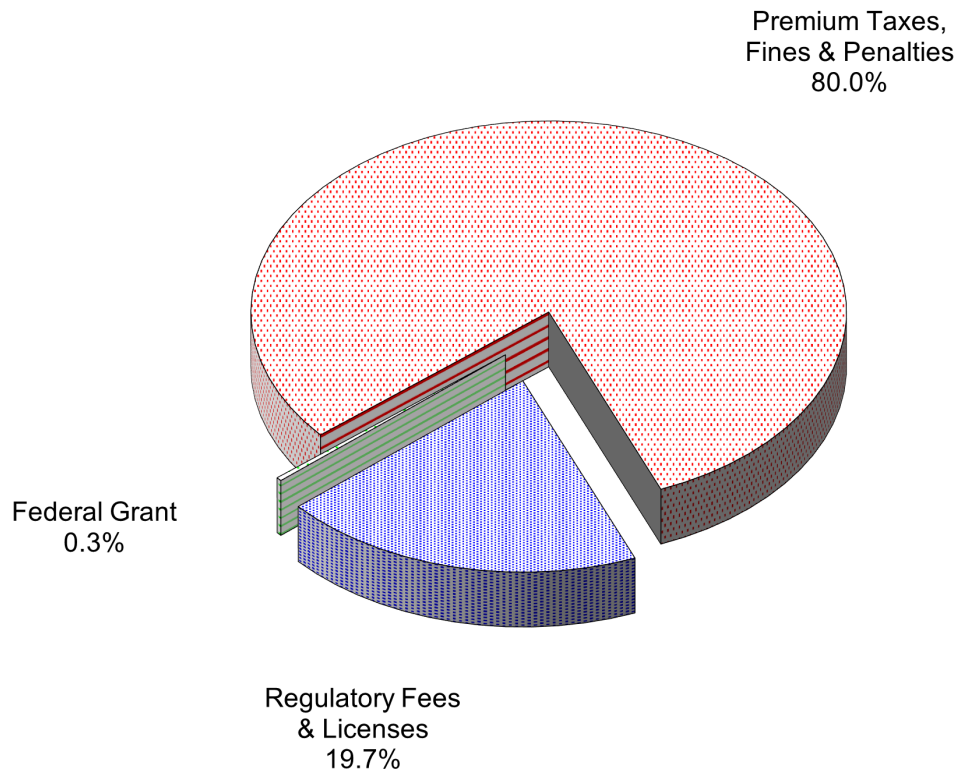

The 2020 assessment per program-eligible child was \$70.00.

State Fire Marshal

The State Fire Marshal's Office works with fire departments across Idaho by providing assistance with fire code interpretation, application, and enforcement. Staff conducts training sessions on the adopted fire code, incident reporting procedures, and fire investigations. The State Fire Marshal's Office is also responsible for reviewing plans for all state-owned or state-maintained buildings for compliance with fire and life safety codes. If requested by local fire departments, the State Fire Marshal can assist with local building plan reviews and inspections.

The State Fire Marshal has the statutory responsibility of being the chief arson investigation officer for the state of Idaho. When requested, he and his six deputies work with local authorities on the investigation of fires and explosions in Idaho.

Additionally, the State Fire Marshal's Office licenses the fire sprinkler contractors who work in Idaho, licenses persons and businesses that import or wholesale fireworks in the state. The office also maintains a recordkeeping system including data submitted from fire agencies that cover approximately 95% of the population of Idaho. They are committed to "*fighting fire with facts.*"

Mission Statement

The State Fire Marshal's Office participates in and coordinates an integrated statewide system designed to protect human life from fire and explosions through fire prevention and the investigation of fires. The program involves fire prevention activities, fire/arson investigations and the operation of various statistical systems, including the National Fire Incident Reporting System (NFIRS).

Highlights for Year 2020

◆ Total fires reported in Idaho	5,132
◆ Number of residential fires	1,796
◆ Total estimated dollar loss reported	\$54,364,754
◆ Civilian fatalities reported	19
◆ Firefighter fatalities	1

Idaho Code Section 41-254 requires that the State Fire Marshal make an annual report to the governor and the legislature by the 15th of July each year. Visit the State Fire Marshal's website at <https://doi.idaho.gov/sfm/> for the detailed annual report.

Consumer Services

The Consumer Services Bureau consists of three sections: Senior Health Insurance Benefits Advisors (SHIBA), Consumer Affairs, and Investigations. The sections work together to protect the public's interest and ensure all participants (companies, producers, and consumers) are in compliance with the laws and rules that regulate the business of insurance in Idaho.

SHIBA Program

(Senior Health Insurance Benefits Advisors)

Senior Health Insurance Benefits Advisors (SHIBA) is a free, unbiased resource empowering Idahoans, through community volunteers and partners, to make informed decisions about their Medicare choices.

Each year, SHIBA individually counsels thousands of Medicare beneficiaries, by phone or in person, in communities throughout Idaho. SHIBA conducts workshops and provides information to beneficiaries and those who help them. SHIBA has offices in Boise, Coeur d'Alene, and Pocatello. A network of certified volunteers and partners assist people in communities throughout the state.

SHIBA investigates complaints and issues regarding claims/billing, appeals/grievances, fraud and abuse, marketing/sales, quality of care, and non-renewal issues.

SHIBA services the general Medicare population and conducts targeted outreach for populations at risk or under-served due to race, cultural background, ethnicity, limited English proficiency, Medicare Medicaid dual eligibility, beneficiaries under 65 with disabilities, and individuals eligible for low income subsidy prescription drug coverage.

SHIBA promotes awareness of provisions of federal legislation, such as the Patient Protection and Affordable Care Act (ACA); the Medicare Improvement for Patients and Providers Act (MIPPA); and the Medicare Modernization Act of 2003, as they affect Medicare issues. Such issues include prevention and wellness benefits; changes to the Annual Open Enrollment Period (OEP); fraud prevention and awareness initiatives; and Durable, Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS) competitive bidding.

Consumer Affairs

The Consumer Affairs Section is a primary contact for members of the public who have questions about insurance matters or who want to file a complaint regarding an insurance matter. The Section assists Idaho residents in a number of ways, including:

- Analyzing consumer, company, and producer complaints and problems relating to all facets of the insurance industry to determine if a violation of Idaho Code or contract provisions has occurred;
- Providing assistance to consumers, companies, producers, and legal representatives in the form of technical assistance on claims procedures, underwriting, insurance laws and rules;

Fraud Investigations

The Investigations Section actively investigates, refers for prosecution, and seeks restitution from those who commit insurance fraud, a felony that can result in a sentence of up to 15 years in prison and a \$15,000 fine. Whatever its form, insurance fraud is a crime that impacts everyone by increasing the cost of insurance premiums and related goods and services. When allowed to go unchecked, insurance fraud has a severe negative effect on the economy as a whole.

The Section's mission is two-fold: first, to protect Idaho insurance consumers from dishonest individuals transacting insurance; second, to pursue allegations of individuals filing fraudulent claims against insurance companies. The Section fulfills its mission through criminal and administrative investigations to determine whether a person has violated any provision of Title 41, Idaho Code.

Two special prosecutors from the Office of the Attorney General review and prosecute criminal insurance cases referred by the Section. Additionally, three Deputy Attorneys General pursue administrative enforcement actions against licensees. The Section also works with the State Fire Marshal's Office on insurance-related arson investigations.

The Investigations Section aims to be recognized as a leader in the fight against insurance fraud by creating partnerships with other criminal justice and law enforcement entities, educating the insurance industry, conducting community presentations and distributing written materials. These activities have significantly increased public awareness.

Company Activities

The Company Activities Bureau consists of three sections: Examinations, Analysis, and Licensing. Although each section has separate functions, all work in close association on some issues.

Examinations & Analysis

The Examinations and Analysis Sections monitor the financial condition of insurance entities conducting business in the state of Idaho. This helps ensure that each entity complies with Idaho law and that the financial obligations of the entity to its policyholders will be met. Regulated entities include domestic and foreign stock and mutual insurers, fraternal benefit societies, managed care organizations (MCOs), reciprocal insurers, self-funded health care plans, risk retention and purchasing groups, accredited reinsurers, county mutual insurers, hospital and professional service corporations, surplus lines insurers, title insurers, and rating organizations.

Major functions of the Examinations & Analysis Sections include:

- Examination of the financial and market conduct conditions of Idaho domestic insurers to ensure that they are operating in accordance with Idaho insurance laws and rules and the National Association of Insurance Commissioners (NAIC) Accounting Practices and Procedures Manual. Examinations are prescribed by law to be conducted at least once every five years but may be undertaken more frequently if the Director deems necessary. Examinations of self-funded health benefit plans and other regulated entities are also performed.
- Initial licensing for third party administrators (TPAs) who want to operate in Idaho. Determination of whether TPAs continue to meet licensing requirements based on annual filings.
- Receiving and recording corporate changes for insurers and other regulated entities (e.g., name changes, mergers, and redomestications).
- Leading Idaho's participation in interstate collaborative actions, providing technical expertise, and conducting or participating in supervisory examinations of domestic and foreign insurers.
- Financial analysis and review of Idaho domestic company financial reports to determine compliance with all Idaho Code requirements, financial solvency, and ability to meet contractual obligations to policyholders. This includes review of annual statements, quarterly statements, audited financial statements, and other filings made by an insurer. The focus is primarily on the solvency of Idaho domestic insurers and the monitoring of foreign companies licensed in Idaho.
- Financial analysis and review of financial statements and other filings of Idaho registered self-funded health plans regulated under Title 41, Chapters 40 and 41, Idaho Code, to determine compliance with Idaho Code requirements, financial solvency, and ability to meet obligations to beneficiaries.
- Initial licensing or authorization of insurers or other regulated entities to transact business in the state via the granting of a certificate of authority or registration. The admission process is completed in an efficient and timely manner to admit financially sound insurers and related entities that will offer quality insurance products or related services to Idaho residents. The Section also maintains reinsurance only (accredited reinsurer) and surplus line (white list) listings.
- Monitoring and regulation of Idaho holding company systems of which an insurer is a part, in accordance with Title 41, Chapter 38, Idaho Code, to promote public interest and the interests of Idaho policyholders and shareholders.

Premium Tax

Premium taxes collected by the Department of Insurance are deposited in the Insurance Administrative Fund #0229-10 to be distributed as follows:

- That amount as needed up to 20% for the refund account (Idaho Code 41-406(1)(a));
- A portion to the PERSI Firemen's Retirement Account (Idaho Code Sections 59-1394 & 41-406(1)(b));
- That amount (not to exceed \$200,000 in any one year) necessary to cover administrative costs incurred by the Department in placing insurance companies into receivership or supervision to the extent that such costs cannot be satisfied from the assets of the companies (Idaho Code Section 41-406(1)(c));
- After all other statutory deductions from insurance premium tax revenues have been made, if the revenues remaining exceed \$45 million, one-fourth of such excess is appropriated and paid to the Idaho Individual High Risk Reinsurance Pool fund (Idaho Code Section 41-406(1)(d)). The moneys in this fund are used to pay the costs associated with providing health insurance coverage to high risk individuals regardless of health status or claims experience;
- Remaining balance to the General Fund (Idaho Code Section 41-406(1)(e)).

Premium taxes collected from authorized insurers are in lieu of all other state and local taxes payable in the state of Idaho with the exception of real property tax (Idaho Code Section 41-405).

The annual premium tax liability is based on calendar year premiums written minus dental premiums, which are taxed at \$0.04 per subscriber per month. Premium taxes are prepaid in quarterly installments based on the prior year's premiums and the current year's tax rates. The installments are as follows: 60% due June 15, 20% due September 15, and 15% due December 15. The reconciliation payment is made on March 1 of the next year (Idaho Code Section 41-402(3)).

Premium tax offsets are allowed to the extent of 100% of the premium tax liability, unless otherwise indicated:

- **Workers' Compensation Offset** – All workers' compensation insurers must pay a 2.00% premium tax on Idaho premiums written to the Idaho Industrial Commission. Insurers are allowed to offset 50% of this tax against the workers' compensation tax liability with the Department of Insurance. The premium taxes paid to the Industrial Commission at the 2.00% rate should not be confused with the additional Department of Insurance 1.50% premium tax rate. The tax credit can only offset the workers' compensation premium tax liability and cannot be allowed against any other lines of insurance (Idaho Code Section 72-523(4)).
- **Insurance Guaranty Association Offset** – Property and casualty insurers may offset their premium tax liability to the extent of 20% of the assessment for each of the five years following the year the assessment is paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid. (Idaho Code Section 41-3616(1)).
- **Idaho Life & Health Guaranty Association Offset** – A premium tax offset is allowed for all Class B and Class C assessments. Insurers may take any portion of the assessment as an offset in any of the five years following the year the assessment is paid. Offsets are limited to 20% of each assessment paid. An allowable offset, or portion thereof, not used in any calendar year cannot be carried over or back to any other year. The total offsets cannot exceed the tax liability or total assessment paid (Idaho Code Section 41-4313(1)).

Producer Licensing

The Producer Licensing Section reviews and processes license applications and issues and maintains over 133,000 licenses, including resident and non-resident business entities and individuals. The Section oversees 13 license types and their related procedures, statutes, and rules. Section goals remain efficiency, security, and service.

Producer Licensing continues to seek out administrative efficiencies by utilizing online services through approved vendors. Services include license application renewals, appointments, address changes, license copies, continuing education courses, and CE credit downloads. Applicants and licensees utilize online services for 90-95% of all licensing transactions. This factor allows the turnaround time for non-resident licensing to remain 1-2 days. The FBI fingerprinting process is completely digitized, providing greater security and quicker response times for resident applicants.

Producer Licensing website information is regularly updated to provide the most current information and services available. The Section maintains efficient and secure licensing environment by utilizing document imaging for license records and email correspondence for DOI communications to licensees.

Continuing Education

The Continuing Education (CE) Rule, IDAPA 18.06.04, requires resident insurance licensees to complete 24 credit hours of continuing education within each two-year licensing period, which expires at the end of the individual's birth month. At least three of the 24 hours must be obtained in insurance ethics courses. Mandated training has been adopted by the Department for annuity suitability, flood, and long-term care policy sales. Non-resident and limited lines producers are exempt from CE requirements for Idaho.

Appointed members of the CE Advisory Committee meet monthly to review provider course applications to ensure quality courses are available to Idaho producers. CE rules are also in place to maintain high standards for CE courses. Presentation methods are available to licensees in a variety of formats including correspondence, internet, seminar, teleconference, traditional classroom, and webcast/webinar.

Highlights for Year 2020

◆ License applications received	30,688
◆ Licenses issued	24,388
◆ Total licenses as of 1/1/2020	140,308
◆ Total licenses renewed	37,909

Market Oversight

In early 2020 the Product Review Bureau was re-named the Market Oversight Bureau. The Bureau Chief position became Chief Market Examiner, overseeing market analysis and market conduct examination activities, health care policy issues, and overseeing the Rates and Forms Supervisor. The Senior Insurance Analyst and Title Examiner Market Insurance Specialist were moved from the Company Activities, Examination Section to the Market Oversight Bureau. This updated business model pulls together positions and responsibilities focused in overseeing companies' conduct in the insurance markets. The redesigned bureau works closely with both Company Activities and Consumer Services, to identify the priority areas for market analysis and examination.

Rates and Forms

The Rates and Forms Section accepts property, casualty, health and life policy contracts and related forms with the company certification stating they comply with Idaho Code and are not ambiguous, misleading or deceptive. The Section accepts advertising filings for life and health and reviews rate filings for various lines of insurance including individual and small group health rate manuals, Medicare supplement, long-term care, private passenger automobile, homeowners and credit. The objective is to ensure that rates are not inadequate, excessive or unfairly discriminatory.

This Section is primarily responsible for administering rate and form laws on a file-and-use basis. Idaho Code Section 41-1812 states: "No basic insurance policy or annuity contract form, or application form where written application is required and is to be made a part of the policy or contract, or printed rider or endorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with the director." Although all major lines of insurance are monitored, the Section is to alert filings involving private passenger automobile rate changes, bail bonds, certificates of assumption, company mergers, credit life and disability, life settlement, consumer credit reporting, health products, long-term care, managed care organizations, Medicare supplements, title and workers' compensation. Unless the forms are submitted and filed with the Rates and Forms Section, they may not be issued to residents of Idaho.

The Department receives policy and rate filings from 2,235 companies licensed or registered to sell products in Idaho. The Department received 5,971 separate filings in 2020 via SERFF (System for Electronic Rate and Form Filing), resulting in the following total number of forms and rates for all filings submitted in 2020, as shown in the following chart.
