IDAHO UNINSURED MOTORIST AND UNDERINSURED MOTORIST COVERAGE DISCLOSURE [Read this disclosure thoroughly before signing it!]

In Idaho, auto insurance normally includes **Uninsured Motorist (UM)** and **Underinsured Motorist (UIM)** coverages. UM and UIM help pay for your and your passenger's injuries if you are in an auto accident caused by someone else who doesn't have enough insurance or has no insurance at all. But if you don't want this protection, you can reject it. This notice explains how UM and UIM coverages protect you and your passengers.

UM coverage helps pay for your injuries if the person who caused the accident doesn't have insurance or drives away and can't be found.

UIM coverage helps pay for your injuries if the person who caused the accident has insurance, but doesn't have enough to pay for all of your injuries.

There are two types of UIM coverage offered in Idaho, **Offset** coverage or **Excess** coverage.

- **Offset** UIM coverage has limits that **decrease** by any amounts recovered from the other party's liability insurance. If your UIM coverage limits are the same as the other party's liability limits, your Offset UIM will not pay.
- **Excess** UIM coverage has limits that are **added** to the other party's liability limits when determining the insurance payment for bodily injury.

Example of the different types of UIM coverage		
Scenario: You are seriously injured by a motorist who has lower bodily injury coverage limits than your chosen UIM coverage.		
	Offset UIM	Excess UIM
Bodily Injury liability limit of at-fault motorist	\$50,000	\$50,000
Your chosen UIM coverage limit	\$100,000	\$100,000
Explanation of the total insurance available for bodily injuries	The at-fault motorist's insurance pays up to its limit, \$50,000. Your UIM coverage pays up to your chosen limit, less the at-fault motorist's insurance payment, an additional \$50,000. The total insurance available to pay for your injuries is \$100,000. $\\$50,000 + (\\$100,000 - \\$50,000) = \\$100,000$	The at-fault motorist's insurance pays up to its limit, \$50,000. This is a general explanation and not your insurance policy. Your insurance policy has specific language that determines how much it will pay if something happens. If you want to know more, you can review your policy or ask your insurance agent. You can also ask the Idaho Department of Insurance your questions by calling 208-334-4319 or visiting doi.idaho.gov/consumers/auto-insurance.

Instructions: The form is used if the applicant or policyholder wishes to reject UM or UIM coverage. For policies that have signed rejections of both UM and UIM on file, the UM/UIM disclosure is not required at renewal.

IDAHO UNINSURED MOTORIST OR UNDERINSURED MOTORIST COVERAGE REJECTION FORM

In Idaho, auto insurance normally includes **Uninsured Motorist (UM)** and **Underinsured Motorist (UIM)** coverages. UM and UIM help pay for your and your passenger's injuries if you are in an auto accident caused by someone else who doesn't have enough insurance or no insurance at all. But if you don't want this protection, you can reject it. **Only sign this form if you don't want UM or UIM coverage. If you don't have this coverage and someone hits you, you might not have coverage to pay for the cost of your or your passenger's injuries.**

UM coverage helps pay for your injuries if the person who caused the accident doesn't have insurance or drives away and can't be found.

UIM coverage helps pay for your injuries if the person who caused the accident has insurance, but doesn't have enough to pay for all of your injuries.

I understand that, by signing below, I choose to **reject** UM or UIM coverage for all operators and occupants of my vehicle(s) under my current auto policy and any renewal or replacement of that policy.

I **reject** and **do not** wish to purchase *Uninsured* Motorist (UM) bodily injury coverage.
